

The Charismatic Charlie Wade Chapter 2031 – 2035

Chapter 2031

Looking at the photo, Charlie couldn't help but return to the snowy night in Kyoto many days ago.

It was under that heavy snow that he saved Nanako, and also saved Zhifei and Zhiyu with a hand.

Thinking of this, he sighed in his heart and replied to Nanako: "Thank you, and wish you a happy Chinese New Year too!"

Charlie didn't respond to what Nanako said about snow in Kyoto.

He knew that he shouldn't have too much emotional communication with Nanako.

In the beginning, he felt that she shouldn't have been trapped by the injuries Aoxue brought to her for all of her life, so he wanted to cure her.

Now, she has recovered and he saved her life. It stands to reason that he has completely cleared her.

If it involves too much, I am afraid it will be out of the question.

Charlie himself knew that those women who liked him might not be able to explain to them, and Nanako was the same.

Therefore, keeping some distance appropriately is considered responsible to her.

Nanako is indeed a talented girl. From Charlie's reply, she can see his inner thoughts.

Therefore, she replied to Charlie: “Master must be spending the festive season with his family now, and I won’t bother you! I wish you a happy holiday again!”

After replying to this sentence, her heart was very sad.

She knew that today is a traditional Chinese holiday and the most important holiday of the year, so she sent a WeChat blessing to Charlie.

At the same time, it happened that she happened to accompany her father to Kyoto for training in the past two days. It happened that there was a heavy snowfall in Kyoto tonight, and she immediately thought of the night when Charlie was the god of war.

Thinking of that night, she missed him more and more.

Therefore, she also took advantage of the opportunity of New Year’s blessing to share the heavy snow in Kyoto with him.

Unexpectedly, he didn’t even respond with half a word.

Although she was very disappointed in her heart, Nanako could still understand. She knew that Charlie had a wife, and even if she liked him again, he still had to keep a certain distance from her.

So, she put her phone away and sat alone on the wooden steps at the edge of the yard, staring at the falling snow.

Takehiko Ito, who had his legs amputated, was now manipulating the electric wheelchair, slowly approaching.

The voice of the wheelchair didn’t even disturb Nanako.

It’s just because, at this moment, all the attention in her mind is not on her eyes and everything around her, but on the distant Charlie.

Seeing his daughter staring at snow in a daze, Ito sighed.

My daughter, how can I not understand?

Takehiko has long seen that his daughter has a loyalty to Charlie and has always been thinking about him. Seeing her like this, he can't help feeling a little distressed.

So, he coughed and called out: "Nanako."

Only then did Nanako recover, and said embarrassedly, "Father, why are you out?"

Takehiko Ito smiled slightly and said, "You didn't come in for a long time, so I came out to see you."

Nanako said hurriedly: "Then let's go back, it's quite cold outside."

"It doesn't matter." Ito said with a smile: "Nanako, there are some things that you can't force, let alone urgently, ask for it."

Nanako hurriedly concealed: "Dad, what are you talking about, why can't I understand..."

Takehiko smiled and said: "Charlie is a good man, and what is rare is that he is also very capable. Such a man is worth waiting for a few more years."

Nanako blushed immediately.

Chapter 2032

However, she did not immediately deny it, nor did she run away on the spot. Instead, she put her hands in front of her and bowed deeply: "My father, I understand!"

Ito Takehiko smiled comfortedly and said: "I am old, and I can't bear the cold wind. I will go back to rest first, and you should go to bed earlier."

Nanako hurriedly said, "My father, let me see you off!"

Ito Yuhiko waved his hand: "No, you like to meditate, just meditate for a while."

After all, he controlled the electric wheelchair, turned half a circle on the spot, and returned to his room slowly.

Nanako watched her father's back disappear at the end of the corridor, feeling that her face was still hot, so she gently covered the thick snow with her hands, and then she covered her face with her hands.

The cold hands made the temperature of her cheeks drop a lot, and Nanako's heart gradually calmed down.

After a while, she stretched out her hand again and wrote a beautiful word on the snow with her fingers. This word is Charlie's name.

Afterwards, she supported her chin with her hands and watched the snowflakes fall on the word one by one until it became more and more blurred and eventually disappeared.

At this moment, she slowly stood up and returned to her room.

At the same time.

Osaka, Japan is only tens of kilometers away from Kyoto.

A one-armed woman, led by several Japanese Self-Defense Force soldiers, came to the Self-Defense Force station in Osaka.

This one-armed woman surnamed He, the daughter of the He family of the four major ancient martial arts families in China.

She is Ruoli's biological mother, Roma.

Since the time difference in Japan is one hour earlier than in China, it is already ten o'clock in the night in Osaka at this moment.

Under the leadership of the soldiers, Roma finally entered the self-defense force station after passing through strict security checks.

Afterwards, the soldiers led her from a building on a high-speed elevator all the way down.

The high-speed elevator stopped at a depth of fifty meters underground.

Here is the three defense underground base of the Osaka Self-Defense Force.

The three protections for civilian use are waterproof, dustproof and drop-proof.

The three defenses in the military refer to the prevention of nuclear, biological, and chemical weapons.

Therefore, this three defense base is the most closely guarded area of the Self-Defense Force in Osaka.

Now, this three-defense base is used for other purposes. All the more than fifty masters of the Su family, including Ruoli, are detained here. The strong defense here can effectively prevent them from escape.

After Roma was brought in, she was directly arranged into a closed room.

The iron door of this room is 20 centimeters thick, much stronger than the bank vault.

After she sat down in the room, a Japanese soldier reminded her in a low voice: "People will be here soon, you only have five minutes."

Roma nodded hurriedly and said seriously: "Thank you!"

The soldier said nothing, turned and left the room. A minute later, a young woman with metal shackles on her hands and feet walked in under the leadership of the two soldiers.

This young woman had a gloomy expression, and her eyes were full of coldness.

However, after she entered the room, those cold eyes immediately stared in surprise, and then two lines of tears rolled down.

She looked at Roma, who was also crying silently in front of her, and cried out in a choked voice: "Mom..."

Roma walked two steps quickly, hugged her in her arms with one hand, while gently stroking the back of her head, while lovingly said: "Ruoli, you have suffered..."

Chapter 2033

Ruoli hugged Roma's waist tightly and asked excitedly: "Mom, why are you here?! How did you come in?!"

Roma saw that the Japanese soldiers had retreated, and said: "Ruoli, your father asked me to come."

"Dad?" Ruoli asked hurriedly: "How is dad now? Has he returned to China? There is no danger, right?"

Roma shook her head and said softly, "Don't worry, your father is fine. He has returned to Eastcliff safely."

Ruoli just breathed a sigh of relief and muttered, "Dad is fine..."

Roma said: "If Ruoli, your dad originally wanted to come to Japan to rescue you personally, but he is now the subject of strict monitoring by the Japanese national security department, so it is not convenient to come to Japan again in a short time, so he let me meet you."

Ruoli was very puzzled and asked, "Mom, the Self-Defense Forces kept me so tight, how did you get in? Why did they let you in?"

Roma said: "The Japanese authorities have indeed reached the highest level of control over you, and your dad has inquired about it. They hope to sentence you and several principal offenders to death. In order to save you, your dad spent a lot of money on the Self-Defense Forces. The high-level officers have a good relationship and are ready to rescue you!"

"Help me out?!" Ruoli exclaimed, and asked: "This...how is this possible? The Japanese Self-Defense Forces guard me very closely now, and there are tens of thousands of Self-Defense Forces on the ground. Soldier, how could you rescue me from here..."

Roma explained: "Although you are currently being detained by the Japanese Self-Defense Forces, the Self-Defense Forces cannot represent the Japanese judiciary after all, so you still have to be tried by a Japanese court, and according to Japanese

law, you are to be escorted back to the place where the case was committed. The court accepts trial.”

Ruoli asked hurriedly: “Then we are going to be escorted to Tokyo for trial?”

“Yes!” Roma nodded and said, “The Japanese Self-Defense Forces will use their military transport aircraft to send you back to Tokyo. After arriving in Tokyo, the special operations team of the TMPD will be responsible for escorting. At that time, your father will arrange a stand-in in Tokyo, and with the help of a senior from the TMPD, you will be replaced.”

Ruoli was dumbfounded, and only after a long while she asked, “Mom, can you change me out so grandiosely?”

Roma took her hand and said seriously: “Don’t worry about this, your father has already arranged it. Before the double is found out, he can buy you twelve hours. At that time, your father will arrange for you to travel from Tokyo Port. Leave Japan by boat.”

With that, Roma squeezed Ruoli’s hand and said with emotion: “Ruoli, to save you this time, your father spent nearly 1 billion yuan to clear the relationship between the Self-Defense Force and the TMPD. If you can return home safely, and you must repay your father well in the future!”

Ruoli’s eyes were red, and she nodded while crying, and choked up: “Mom, don’t worry, I will repay my father well!”

Roma nodded and said, “Also, after you return to China this time, the Japanese side will definitely do everything possible to catch you back. If they know that you have returned, they will definitely apply to our country and extradite you. Go back to Japan for trial, so after you go back, you have to live under a different name. You will no longer be able to use this name in the future.”

Ruoli hurriedly asked: “Mom, if I can no longer be called Ruoli in the future, what should I call?”

Chapter 2034

Roma said: "Your dad said, you can pick up the name as you like, and he will help you get the relevant household registration information."

Ruoli flashed a flash of joy. Just as she was about to speak, Roma added: "Ruoli, your father said, you cannot continue to have the last name Su, or you can call any name other than Ruoli, but you can't use the character of the Su family."

Ruoli's expression of joy just now became extremely bitter. She looked at Roma and asked, "Mom, Dad still doesn't want others to know who I am?"

Roma said with an ashamed expression: "Ruoli, you are your father's illegitimate daughter after all, and few people know about this. Apart from your father, only your grandfather knows about the relationship between your father and me. Liona, if she knows that your father still has an illegitimate daughter like you, she will definitely break with your father..."

Ruoli choked up and said, "Mom, can't I tell others that Zynn Su is my father all my life? Do I have to be a girl who has no father since childhood?"

Roma's eyes were red, and she sighed, "Ruoli, the reason why your father had that past with me back then was entirely my own request. He didn't even know your existence for many years, so you can't blame him. Unwilling to disclose your identity!"

"What's more, your dad paid a very high price to save you this time. Even if he can't publicly claim that you are his daughter, deep down in his heart, he also loves you very much! Can't blame him, do you understand?"

Ruoli sighed when she heard this, nodded slightly, and said seriously: "Mom, I know, don't worry, I will never mention this matter again in the future, let alone blame Dad in my heart!"

Roma squeezed Ruoli's hand hard, and said seriously: "In a few days, you will be escorted to Tokyo. Then someone will contact you, replace you, and send you to the dock. Mom will be waiting for you at home!"

Ruoli hurriedly asked: "Mom, won't you wait for me in Tokyo?"

Roma shook her head and said, “Your dad said, once you successfully escape, Japan will definitely check everyone who has recently entered the country. At that time, if it is found that I am from China and I have been to Osaka, the incident will happen again. I went to Tokyo before, which meant that I gave the Homeland Security Department a complete clue for nothing. So after he told me to meet you, I immediately returned from Osaka to avoid leaving clues. As for Tokyo, he will arrange for others To meet you.”

Ruoli nodded and said, “Okay mom, I know! You wait for me to go back in peace in China!”

At this time, someone opened the door and said: “Time is almost up!”

Roma looked at Ruoli reluctantly, and said, “Ruoli, take care of yourself these few days, mom will go!”

Ruoli nodded gently with tears: “Mom, take care, and also help me to say thanks to Dad...”

Roma patted her arm and whispered: “There is no 100% success rate in everything, but you must promise mom and come back alive!”

Chapter 2035

Ruoli looked at Roma, nodded heavily, and said with tears in her eyes: “Mom, don’t worry, I will come back to see you alive!”

Roma touched her face with one arm, and said lovingly: “After you come back this time, don’t go back to Su’s house. You will stay with your mother at grandma’s house for a while, and wait for the limelight to fade before going back.”

Ruoli gave a hum and said, “Mom, take care.”

Roma said in a low voice: “Don’t disclose the matter of saving you to anyone who are arrested with you, because this time only you can leave. If you let them know, in case of unrest, I am afraid it will cause trouble.”

Ruoli sighed softly: “Okay mom, I see...”

Roma nodded, and then reluctantly left.

And Ruoli was also taken back to her cell by soldiers.

However, Ruoli at this time was full of gratitude to Zynn in her heart.

Although she is only an illegitimate daughter, and her father Zynn cannot admit her identity, Zynn is willing to pay such a high price to rescue her. This is indeed far beyond Ruoli's expectations of Zynn, and it also makes her heart move deeply.

Originally, she was ready to be sentenced to death, but after seeing her mother Roma, she rekindled hope for the future life.

.....

Eastcliff time, ten o'clock in the evening.

The Charlie family in front of the TV are watching the Spring Festival Gala on TV.

Claire's emotions seemed a bit agitated, and said to Charlie: "The program published on the Internet says that Sara's solo singing will be in prime time at 10:10 and should be coming soon!"

Charlie nodded, he couldn't help but look forward to it.

Although he knows that Sara is a big star, he hasn't watched Sara's film and television dramas, nor has he heard her singing songs.

This is mainly related to Charlie's personality. He has no need for entertainment, so naturally he doesn't care about the entertainment industry.

However, he naturally cared a little more about Sara. After all, this was his childhood friend who grew up with him, and she was also the fiancée that his parents made for him.

So he and Claire looked forward to the TV together, looking forward to Sara's appearance.

The timing of the Spring Festival Gala is almost exactly the same. At 10:10, the host smiled and said: "It is said that the taste of first love is the most beautiful feeling in life. Next, the film and television song superstar Miss Sara will bring her to us. The new single "First Love"."

Afterward, Sara, wearing an elegant evening dress, stepped onto the gorgeous stage.

Claire said excitedly: "Wow! Sara's dress is really beautiful!"

Charlie couldn't help but nod in agreement.

Sara on TV deliberately put her long hair lightly behind her head, which is a little more dignified and a little more charming than before.

Elaine looked at Sara and couldn't help sighing: "Oh, this girl is really beautiful! Much more beautiful than those female stars!"

After finishing speaking, he said with some regret: "In fact, with the appearance of Claire, she can also enter the entertainment circle and become a star. Even if it is compared with Sara, Claire is not inferior.

Claire smiled and said, "Mom, you are too praising me. How can I be a star? I like actors but not acting, and I want to hear a voice without mine going out to others.
