Chapter 2072

Everyone was stunned by Jun Ruian's words.

Jun Ruian said proudly: "My daughter-in-law is pregnant with twins. And she was pregnant when she was the busiest at work, which means that she is still pregnant while producing architectural design drawings. Twins, have you ever seen such a capable daughter-in-law?"

After saying this, Rayna immediately blushed.

She is a bride today, and she doesn't want to be known about her pregnancy, okay?

But, it's too late!

When Jun Ruian spoke, the few noble ladies who wanted to make trouble for Rayna immediately retreated to the side.

On the contrary, Rayna took a big advantage.

There is a custom in Kyoto.

It's just making a bride.

On the wedding day, the bride has to bear all the uproar.

However, because Jun Ruian said that his wife was pregnant, no one dared to make trouble with Rayna.

The wedding of the century between her and Jun Ruian was grand, lively and warm in Kyoto, which made Rayna earn enough face.

She found that her aunt Dalia and Suzi's two married men could crush her husband Jun Ruian.

But neither Dalia nor Suzi could have such a grand wedding like her.

Rayna was extremely happy.

At the end of the wedding, Rayna showed off to Galia: "Galia, have you seen my wedding? It's fun."

Galia is really envious.

What girl doesn't envy a wedding?

She blurted out: "Rayna, seeing your wedding so successful, I really want to hold a grand wedding."

"Okay! When do you want to hold it? Our Shu family's wedding is definitely not worse than the Jun family's. The wedding your husband gave you will definitely make you better than Rayna's!"

Galia's eyes immediately glowed: "Really!"

"real!"

"Okay! Then, Ming Zhen, when will we have the wedding?" Galia asked proactively.

Darius was stunned: "..."

For so long, Galia has never dared to hold a wedding. She is afraid of marriage.

This is the first time in two years that a girl has taken the initiative to speak about who is getting married.

"Are you proposing to me?" Darius asked.

Galia immediately smiled shyly. She raised her hand and gave Shu Ming a coquettish shock: "What did you say! You haven't officially proposed to me yet!"

"I'm taking advantage of Rayna and Ruian's wedding to formally propose to you, how about it?" Darius asked.

Galia rolled her eyes.

She thought it was a good occasion.

There will be a lot of joy.

At this time, Rayna suddenly said: "Galia, Galia! You and Ming Zhen must wait until after I give birth, wait for eight months, okay? I'm ugly to attend your wedding with a big belly!"

Galia and Shu Ming looked at each other and smiled.

Then Galia said: "Okay! I promise you! When you finish giving birth, we will get married!"

"Wow!" Rayna almost jumped up with joy.

"Galia, you are too good friends, thank you..."

At this time, Suzi and Suzi came to Galia and asked in a low voice, "Did you discuss with my cousin long ago that you two want to get married by the end of the year?"

Galia knew that she couldn't hide anything from Suzi.

She nodded and admitted, "Yes!"

Suzi asked again, "Why, aren't you afraid of marriage?"

Galia nodded in earnest: "I'm not afraid of marriage anymore, now I'm not afraid of marriage, because I found out..."

The only reason she was afraid of marriage was because of Mr. Shu.

Now I'm not afraid of marriage, it's also because of Mr. Shu.

Chapter 2073

Although Galia was afraid of marriage, she was the happiest among the girls.

From childhood to adulthood, Galia was loved by her father and loved by her mother. Even her uncle and aunt's cousin loved her very much. From childhood to adulthood, Galia did not accept the slightest grievance and suffering.

She grew up like a little sweetie.

Only falling in love with Darius put her under pressure.

This pressure came from Mr. Shu. She witnessed how Mr. Shu was harsh on Suzi, so Galia had a great fear of Mr. Shu in her heart.

She felt the fear of Mr. Shu for a long time, and Mr. Shu also felt it.

Once, Mr. Shu took the initiative to ask Galia: "Child, you have always been a little sparrow chattering, why did you stop saying a word when you saw Grandpa, are you afraid of me?"

Galia nodded immediately: "Yes."

Then he shook his head again: "No no no, no..."

"You and Ming Zhen have been in love for two years, but they haven't gotten married. Is it because of me?" Mr. Shu is not a fool, he can figure out everything.

Galia: "..."

"I won't stop your wedding, child." Mr. Shu said very gently.

Galia couldn't believe it, she couldn't say a word out of fear.

"I know you're afraid of me, but in fact, I have a way to make you not afraid of me," said Mr. Shu.

Galia stammered and asked, "What... what method?"

"I'm dead." Mr. Shu said.

Galia: "No...Grandpa, what are you talking about?"

Mr. Shu smiled with a vicissitudes of life: "What grandpa said is true, grandpa is not joking with you, grandpa... You know, living is a kind of suffering for grandpa.

For me, it is easier to die than to live.

However, I can't write off the mistakes I have made. I can only live and taste this torture slowly. Only in this way can I face my conscience well.

So kid, don't be afraid.

You have the right to think that grandpa is a living dead.

Grandpa will not interfere with your wedding with Ming Zhen. "

After speaking, Mr. Shu trembled and left staggeringly.

He walked like a stubborn leaf in the wind, without a root at all, and Galia was very worried when his hope was shaken.

I don't know if it was out of curiosity or what, Galia followed. She didn't expect that the old man would tremble all the way to the outside of the small courtyard where Alyce was.

Outside the iron fence, the old man stood far, far away, barely able to see Alyce.

He was silent.

Just watch Zhi Alyce watering and planting flowers, right? Sitting on the small bench to rest for a while, he also brushes Douyin from time to time.

For Alyce, life is full and dull.

Very good.

Looking at it, Mr. Shu's face was full of tears before he knew it, and he even burst into tears.

However, even so, Mr. Shu did not step into the campus to talk to his biological daughter. Instead, she silently wiped away her tears and left.

Galia, who followed behind, also burst into tears.

For the first time, she felt that Mr. Shu was also pitiful.

She walked quickly to Mr. Shu, and said sympathetically: “Grandpa, I...I’ll support you, in the future...if you want to see Aunt Alyce, I’ll accompany you. with you?”

I don’t think Aunt Alyce is the kind of unkind person. Didn’t she forgive you? “

Mr. Shu sighed: “Alyce forgives me, it’s her generosity, but I can never forgive myself, the things I did to her will never be forgiven.

And her mother, I disturbed her mother, and I am an unforgivable person.

Galia, promise grandpa to take good care of your Aunt Sheng, okay? “

Galia nodded: “Grandpa, don’t worry, even if you don’t ask me, I will take care of Aunt Alyce. After all, she is Suzi’s mother.”

“Okay, grandpa, thank you.”

Galia suddenly said: “Grandpa, I think... and A Zhen is married.”

Chapter 2074

Mr. Jun looked at Galia incredulously: “Child, have you figured it out? No... Are you not afraid of me? No... Hate me?”

Galia said embarrassedly, “Grandpa, so you know?”

Grandpa Jun: “I’m in my 90s, and I’ll be an old monster soon, what do I not know? Grandpa thought about it, if you hate Grandpa, when you and A Zhen get married, Grandpa will go to a nursing home... “

“No...” Galia was not that cruel at all.

She said apologetically: “I’m sorry grandpa, I have more contact with Suzi. I have witnessed so many people bullying her and insulting her. When your fake granddaughter asked someone to frame Suzi again and again, I really hated you at that time.

You can’t imagine how Suzi and Aunt Alyce escaped from the dead.

They are so pitiful.

So, for so long, I’m afraid you are all...”

After a pause, Galia said, “I have changed my opinion of you in the future. If you know you are wrong, it is never too late to correct your mistakes. Besides, Ah Zhen and I are in free love, and I love him.

If I don’t marry because of you, I’ll be thankful.

This home is yours and you can live forever. As for me and A Zhen, we can live in your old house as long as you don’t bother us.

We can also take out a loan to buy a house if you and your parents are afraid we will disturb you. “

Galia is a girl who is pure and kind and never has her own way.

She didn’t care about wealth.

She still adheres to the way her parents have educated her since she was a child. She makes money by herself and is stable. When she grows up and gets married, the two of them buy a house together and live together, which is the most practical.

Galia's words made Mr. Shu feel even more ashamed.

With a blushing old face, he said, "Grandpa has done the wrong thing all his life, and it is a grandfather's honor and a great honor to have a grandson and a daughter-in-law like you when you are old.

In the future, you will be the youngest wife of the Shu family.

child. "

"Thank you grandpa." Galia said.

After the wedding with Darius was put on the agenda, Galia started various purchases.

Wedding dress, wedding room layout, beauty and body weight loss.

various.

Speaking of marriage, it took seven or eight months from the start of preparations to engagement, and then to marriage.

Galia and Darius's wedding was held in Nancheng.

There is no doubt that the wedding of the two of them is also one of the only weddings in Nancheng.

The wedding venue was full of friends.

The Shu family, the Fu family, the Xu family, the Chu family, and the guests from Kyoto, as well as Galia's maiden family, crowded the entire wedding scene.

And Galia was undoubtedly the most beautiful and dazzling princess on the entire wedding scene.

On that day, Galia lived a very fulfilling and happy life.

Her two best friends, Suzi and Rayna, also told their friends extremely happily.

However, Rayna was eight months pregnant.

It's twins again, so it's very difficult to walk.

Every step she took, she had to be supported by Jun Ruian, but even so, Rayna still had to ignore it, running back and forth to shoot every scene of Galia and Darius.

While patting and patting, Rayna suddenly said, "Ow, not good..."

Jun Ruian immediately asked: "What, what's wrong, wife, what's wrong?"

"My stomach hurts, and the uterus seems to be contracting, in bursts, ooh..." Rayna shrank to the ground in pain.

Jun Rui angrily wanted to hit someone: "Tell me about you! I told you, we can take care of Galia's wedding, we can take care of it, but you don't listen! Everything has to be done by yourself!"

Think about it, the wedding of the Jun family was blessed by Uncle Fu in Nancheng.

What do you need to worry about?

Suzi can't worry about you!

You are good, you are running around with a belly like a ball at home all day long, you really think you are a beautiful landscape! "

"Uuuuu, Jun Ruian, you kill a thousand knives! I'm about to give birth, and you still kill me! I hate you! I have children and won't let them kiss you!" Galia sat on the ground angrily and beat the king Ruian.

Jun Ruian immediately coaxed: "Okay, okay, it's all my husband's fault, walk around, I'll take you to the hospital right away..."

Chapter 2075

When it was too late, Jun Ruian picked up his wife who was pregnant with twins and ran out all the way.

Everyone else on the wedding scene saw it too.

They were divided into two groups, some stayed and continued to attend Galia's wedding, while a small number followed Jun Ruian to the hospital.

This day was a double happiness for Galia.

She is married.

Her best best friend, friend, is about to give birth.

The wedding was still lively, until the end of the wedding, after Galia and Darius were sent to the bridal chamber, Suzi and his party went to the hospital in a mighty manner.

Very worried along the way.

I just feel that Rayna is giving birth to a baby for the first time.

It's twins again, I don't know if it's good or not.

Caesarean section or not.

Along the way, Suzi asked Arron to drive faster, drive faster.

It was as if if she could arrive earlier, Rayna would be less guilty.

Arron comforted her all the way: "It's okay, don't worry, now that medicine is developed, it is not difficult to have twins."

Suzi couldn't help crying and laughing angrily: "You are a man, what do you know?"

Did you know that when Sister Shan gave birth, she almost died on the operating table, bleeding profusely, and she couldn't get out of bed for a few days.

My sister-in-law was an elderly mother, and the one who gave birth almost didn't get off the operating table.

I think about the crime they suffered, and I worry about Qingrong.

Qingrong looked at Little Pepper and a little bitch. In fact, he is more timid, more sensitive, and more vulnerable than anyone else in his heart.

She is a child abandoned by her parents.

Women, especially when they have children, will think about a lot of things

Think about your past, think about your parents.

She would think that her parents were so cruel, they didn't want her, and they cheated her for the rest of their lives, not giving her education, teaching her bad things, and making her feel inferior and unable to raise her head.

When she thinks of these, her strength can be exhausted by her.

The key to a woman's childbirth is that if she is exhausted, she is finished! "

When he heard Suzi say this, Arron understood that his wife was speaking from experience.

I also thought about it on the operating table.

He hugged his wife in his arms, and said with great guilt: "When you were the only one, you also survived nine deaths, thinking about a lot, thinking of me as a father, is that cruel and irresponsible, isn't it?"

Tell me, how did you survive on the only handwriting desk that was born? "

Suzi's eyes suddenly turned red: "At that time, I..."

At that time, she was really desolate in her heart to the point of incomparable desolation, lying on the operating table, asking for money, but no one, except her elder brother Sanford. At that time, Suzi felt that her best destination was to die in the operation. on stage.

However, when you think about how innocent the child in your belly is?

Are you going to suffocate in your mother's belly before you are born?

She can't be so cruel.

She had to ignore everything and make herself a mother of steel. To take it all personally, she must be strong.

There is no way out.

With her perseverance, she gave birth to Shen Weiyi.

However, that kind of desolation, she never wanted to taste the second time in her life.

So when it comes to giving birth, Suzi's feelings are better than anyone else's. Compared with her inner strength, Rayna is not even as good as a quarter of Suzi's.

Suzi also knew that Rayna's adoptive father and mother were the biggest hurdle in Rayna's heart.

On the operating table, Suzi must encourage her.

The car drove fast.

They soon came outside the delivery room, and Suzi looked at Jun Ruian outside the delivery room with great worry: "Qingrong, how's it going?"

Chapter 2076

Jun Ruian stood alone outside the delivery room with a strange expression.

Suzi's heart skipped a beat, she grabbed Jun Ruian and said, "Where's Rong Rong! How is Rong Rong? Why didn't you hear Rong Rong crying? Tell me quickly, how is Rayna?!"

Jun Ruian raised his eyebrows and looked at Suzi: "Did you know fourth aunt?"

Suzi: "What?"

"Our family's Rayna, our family's Rayna, came to the delivery room and used it in total. In less than ... less than an hour, two babies were born!"

Suzi: "..."

Arron behind him was stunned.

"Painless childbirth, you know? I've never seen a child born so quickly, auntie, I really doubt that you gave birth to a baby before, my second aunt gave birth to a baby, and Ze Shao's wife, Hongmei When my sister-in-law gives birth to a baby, it's all pretentious, ahahaha..."

Suzi: "..."

After a long while, she raised her hand and hit Jun Ruian on the shoulder: "Do you want to die? Squeak if you miss! I'll kill you immediately! Your wife is dead, you are standing outside this delivery room and suffering. Haha a face is waiting for us, are you trying to scare us to death!"

Behind them, Kraig, Dalia, and Dalia's two-and-a-half-year-old son Jun Ruiqi came one after another.

There is also Sanford, and Sanford's wife Shang Hongmei, and their one-year-old son, Xu Jintao.

In the back are Joan and Pan Mingsai, who is studying in medical school.

Pan Mingsai is now very close to Rayna and Yingzi. When Rayna was about to give birth, Pan Mingsai also took the initiative to come over. She studied medicine and hoped to help.

When these people saw Jun Ruian joking with them like this, they didn't want to beat Jun Ruian to half death on May 1st.

Especially Shen's only little friend.

She hugged Jun Ruian's leg with hatred, and stepped on his foot hard: "It's too bad, your brother Ruian! I'm going to beat you, beat you, beat you to death!"

When Shen Weiyi beat Lenny violently, the younger brothers behind Shen Weiyi were also gearing up.

She has three younger brothers now.

My younger brother Fu Liuyi, Uncle Jun's younger brother, Jun Ruiqi, and my uncle's younger brother, Xu Jintao.

The oldest, Jun Ruiqi, is two and a half years old, Fu Liu is one, two years and four months old, and Xu Jintao has just turned one year old and has just been able to walk.

However, this did not affect the combat effectiveness of the three men.

Three men in diapers lined up and rushed towards Jun Ruian.

They were roaring furiously in their mouths, and the battle was like overwhelming.

Even when they were madly running, the diapers on their bodies were shaking, and the three men rushed towards Jun Ruian with full of anger. They were planning to hit Jun Ruian. , and then while riding on Jun Ruian, he beat him violently.

They didn't know what was wrong with Jun Ruian.

They only know that their sister Shen Weiwei is angry with Jun Ruian.

The joys and sorrows of the elder sister are the joys and sorrows of the three younger brothers.

The three younger brothers rushed to Jun Ruian regardless of their lives.

However, Jun Ruian remained motionless.

Not only did he not move, he also laughed haha.

Seeing the four children at the waist joint who knew the most taboos and beat him together, Lenny couldn't be happier.

"You're still smiling! You're still smiling!" Suzi was about to die of anger.

"Please, my fourth aunt, take a look, whether it's your cell phone or my fourth uncle's cell phone, but my second uncle's cell phone or my second aunt's cell phone, I've called you all, okay?"

You didn't hear any of them!

Rong Rong has been admitted to the ward for a long time, and the delivery was very smooth, and the delivery was painless. The doctor even said that she could be discharged now.

But in order to wait for you in the hospital, Rayna only needs to be admitted to the hospital first.

Then I was afraid that you would not be able to find it, so I specially sent me to stand outside the delivery room to wait for you.

OK!

Chapter 2077

It's not good for you to wrong people like this!

I, Jun Ruian, will cry too! "

At this moment, Jun Ruian couldn't see him crying at all.

All Suzi could see was his shyness, which was extremely sassy.

"Take us to see Rayna! Don't lead the way again! I'll hit you all over the place looking for teeth!" Suzi said angrily.

"As ordered! Aunt Four!" Jun Rui Anli turned around and walked towards the ward area.

"Wait, Ruian, wait a minute." Suzi shouted again.

Jun Ruian looked back at Suzi: "What's wrong, Aunt Four?"

"You tell me first, boys and girls? Or dragons and phoenixes?"

Jun Ruian said with an extremely stinky expression: "I won't tell you! I won't tell you! I won't tell you!"

Jun Rui was stunned, and even sang a song.

Putting Suzi and a group of popular people behind him is both angry and funny, but for the sake of being a father today, he doesn't have the same knowledge as him.

Following Jun Ruian all the way to the ward, before entering, he heard the cry of a baby in the ward.

Pretty loud.

Suzi could even tell from the loud cry of a baby that it was a boy and a girl.

At this time, when Jun Ruian heard the cry of his child, he was even more excited, and he looked back at Kraig: "Second uncle, I am now, I am now one more than you. Hey, I'm now a dad of two!

Second uncle, you are the only one, haha! "

Kraig: "..."

Usually Jun Ruian is not very afraid of his father.

Rather, he was afraid of this second uncle, but today, he is not even afraid of the second uncle.

Jun Ruian couldn't help laughing.

this kid!

What a pity!

But look at his favorite, don't hear him!

When a group of people came out of the ward, they saw Jun Jingheng and Zhao Wenpei hugging each other, both of them swaying around in a hurry.

"Jingheng, do you think this Erbao has lost her temper? Why does she cry so much?"

"Hey, newborn, cry twice, cry twice, what are you worried about?"

Zhao Wenpei: "Jingheng, look at these two children, they look so much like our Ruian, they look like they were carved out of the same mold."

Jun Jingheng said with a smile: "I think the child is half like his mother and half like our Ruian. How many are these two children, inheriting the advantages of their parents, that's really beautiful!"

Zhao Wenpei: "Don't say it, although this Rayna is a little pepper, a little shrew, uneducated or something, the children born are good anywhere, look at this noble little temperament, it is the temperament of our Jun family. ."

"Humph!" A feeble retort suddenly came from the hospital bed: "The child I gave birth is a muddy leg! It's a little shrew, little pepper, my child, don't be a noble young master! Humph!"

"Okay, okay, I'll listen to you. What are you talking about? You can't get angry now, you need to rest more and be obedient." Zhao Wenpei coaxed extremely obediently.

Outside the ward, Suzi and Dalia looked at each other and smiled.

The two laughed and walked into the spacious ward.

“Rayna, congratulations, smooth delivery or painless delivery. Your family’s Jun Ruian never tells us whether you gave birth to a boy, a girl, or a twin?” Suzi came to Rayna’s bed and smiled. Rayna with a pale face.

Min Qing sat up abruptly, and then his eyes were red: “Suzi, you... finally came, but I... have all finished giving birth.”

Suzi: “Pfft...”

However, Rayna immediately burst into laughter, and she showed off: “In the future, we are the only ones who will be able to gather five handsome boys to protect him, brother, what’s your name? Five good generals!”

Chapter 2078

As soon as Shen Weiyi heard it, he immediately said in surprise: “Again... two younger brothers?”

Rayna nodded: “That’s right.”

“I... I have five younger brothers now?” Shen Weiyi asked again.

“So, you are the only little princess in our family, the girl, the only one. You are going to be the stars and the moon in the future. All your younger brothers were born to protect you.”

Shen Weiyi laughed immediately: “Hehehe...” She had a feeling of being surrounded by happiness.

Full of sweetness.

The only shortcoming is that there is no little sister to accompany her.

Hey, it doesn't matter.

Anyway, she can teach a lot of good friends in school.

Besides, she also has sister Mingsai.

While Shen Weiyi was happy, he turned to look back at Pan Mingsai.

Sister Mingsai has grown a lot now. She doesn't look like a child when she first came to Nancheng three years ago. Now she has grown into a big girl and is more beautiful.

like a fairy.

The most beautiful fairy in the world.

In the eyes of everyone, Pan Mingsai, who is like an ugly duckling, is in the eyes of Shen Wei a swan.

Shen Weiyi came to Pan Mingsai: “Sister Mingsai, it doesn't matter, it's enough for me to have you as my sister in the future.”

Pan Mingsai said with a smile: “Well, sister Mingsai will always protect you, but I can tell you that you have to study hard for me! You must have excellent academic performance! Otherwise, I won't screw your nose off!”

Pan Mingsai was the one who could best restrain Shen Wei.

She loves Shen Wei very much, but never spoils her.

If she is not, just beat Shen Weiyi.

But Shen Weiyi has always listened to Sister Mingsai's words.

It's really one thing.

The people in the ward looked at Pan Mingsai and Shen Weiyi like this, and they all laughed tacitly.

However, Shen Weiyi is a little adult herself. A nine-year-old child, her academic performance is first-class in the entire grade. In terms of learning, she can be very top-notch without the supervision of Pan Mingsai.

Shen Weiyi is smart by nature, and she truly inherits the strongest advantages of her parents.

The little girl is not only beautiful, but also has first-class academic performance, quick thinking, and excellent in every aspect.

When Shen Yi was twelve years old, his height was close to 1.5 meters, and the beautiful Chen Yuluoyan was born properly.

Moreover, the twelve-year-old Shen Wei didn't need her parents to pick her up, let alone Uncle Christopher to pick her up.

She can take the bus to and from school by herself every day, and even take a plane to Kyoto to find Auntie Dalia and play with Auntie Rayna.

Twelve-year-old Shen Wei can travel all over the world alone.

When Shen Wei was twelve years old, Suzi's second son was born.

At that time, Suzi was already thirty-four years old, and his whole body exuded maturity and ability, and he had an air of indifference.

Suzi, a mother of three children, is already the vice president of her company.

Like Arron, she is in charge of the company's affairs, large and small, with secretaries and assistants by her side, and drives by herself when she goes out.

She is no longer the little girl who was slaughtered more than ten years ago.

The current Suzi, in every move, has the demeanor of a general. Without losing the gentle charm of a woman, Suzi like this is a dazzling leisure scene wherever he goes.

Her limelight is no less than her husband Arron.

When Shen Wei was twelve years old, Suzi also had an interview with a female channel. This female channel had a high viewership rate in Nancheng and was considered a mainstream video.

All corners of Nancheng can be collected.

Including a detention center.

When he saw that his thirty-four-year-old daughter had grown so strong, and that he was going to spend his whole life in this detention center, Jarod almost bit his tongue in pain.

He pressed him to death and asked the person in the detention center to call Suzi.

Suzi, who received the call, was playing with the three children.

Chapter 2079

The eldest child, Shen Weiyi, is actually a little adult, and she is more concerned with taking care of her two younger brothers with her mother.

She has also become her mother's most intimate little padded jacket. Twelve-year-old Shen Weiyi understands all the sufferings of her mother. She is the most distressed mother in the world.

Even, her thoughts are close to maturity, and she feels that she can already protect her mother.

So, when Shen Weiyi saw that her mother immediately changed her face after receiving a call, Shen Weiyi immediately looked at Suzi: "Mom, what's the matter?"

Suzi burst into tears when he saw his twelve-year-old daughter.

Also twelve years old.

When she was twelve years old, she was sent to the home of her biological father.

For eight years, she did not know that it was her biological father, so she could only call her father an uncle.

Moreover, all the time, I am grateful to Da Dexin, living in my father's life and changing.

Suzi, who was twelve to twenty years old, looked like a dog, wagging his tail in front of his biological father and begging for food.

Those unforgettable eight years will be unforgettable for her life.

By this time, she was already strong.

She was so powerful that no one could hurt her in the slightest, but she received an old voice: "Xiangxiang, can you come... see Dad?"

Suzi's peaceful life has simply set off a huge wave.

She angrily wanted to smash the phone.

It was the twelve-year-old daughter who calmly took her mother's phone.

"Mom, I'll accompany you to see him, don't be afraid, I'm here. I won't let anyone hurt my mother." Shen Weiyi said calmly.

After speaking, the twelve-year-old child hugged his mother in his arms.

At that moment, Suzi suddenly felt that she finally had a third relative besides Arron, besides her mother, who knew how to take care of her.

That person is her daughter.

Suzi's letter was melted at that moment.

On weekends, Shen Wei accompanied his mother to a detention center in the suburbs to visit his father, Jarod, whom he had not seen for many years.

In the detention center, Jarod's family of three are still there.

It's just that Moira has gone crazy.

She talks nonsense all day, eats and pulls everywhere.

And although their precious daughter is not crazy, she is suffering from illness and is worse than death. She has already replaced the third part, and she is very weak and relies on medicine to support her.

Lanita, who had undergone chemotherapy, had already lost her bald hair.

And because of the hormone drugs, her whole body became like a puff, like a big round ball.

She couldn't wear many clothes.

What a large dress, Lanita wore it but exposed her belly, and her belly was stitched with knife scars everywhere.

It looked so ugly.

But, no matter how ugly, she is indeed sober.

She was detained here in darkness, and no one came to see her throughout the year, but she could see new news from the outside world.

She saw that Suzi had already given birth to three children.

Moreover, Suzi's current status in Nancheng is second to none, and this status was all won by Suzi himself, without Arron.

She is respected by the entire Nancheng people.

Her three children are all healthy.

Today, Suzi is thirty-four years old, but she still maintains a girl-like figure and her skin is well maintained. Not only has she not gotten older, but she is more beautiful, more confident, more sunny, and more feminine than before.

Every time I saw Suzi like this on TV, Lanita would curse like crazy.

But after every abuse, Lanita would be beaten horribly by Jarod.

And this time, when Jarod was beating Lanita with all his might, a voice suddenly came from behind him.

“Dad...” Suzi shouted coldly.

Chapter 2080

Jarod stopped abruptly.

He heard someone calling him: “Dad”

He couldn’t believe it.

He felt that it might be in a dream, and he didn’t even dare to look back.

He just held on to the movements of his hands, and the whole person froze.

“Dad...” Suzi shouted again.

Jarod turned around suddenly, and saw a mature and gentle woman in her thirties, and a child who was 11.6 meters tall beside her. Jarod looked at Shen Weiyi and blurted out: “Suzi, Suzi, my Suzi Suzi, you are twelve years old.”

Shen Weiyi smiled lightly, his voice cold and calm: “I’m sorry, I’m not your daughter Suzi, I’m Suzi’s daughter.”

Jarod: “The only one, you are the only one, have you grown so big?”

Shen Weiyi: “Yes, I am twelve years old this year, the same age as my mother when she entered your house.”

Hearing Shen Weiyi say these words, Jarod burst into tears.

“Xiangxiang, Dad...I’m sorry for you.”

Suzi: “Dad, you came to me, what’s the matter?”

Jarod came back to his senses this time, and what Suzi called him turned out to be: “Dad.”

She had never called him that in all these years.

When she was a child, she wanted to call ‘Dad’ very much, but he never let her do it. Every time she saw her want to shout, Jarod was extremely disgusted.

He was afraid that Suzi would not let him go.

And now, how much Jarod hopes Suzi can call him ‘Dad’.

Did his wish come true?

“You’re willing to call me dad?” Jarod pushed Lanita away and kicked him hard, then he looked at Suzi with joy.

He seemed to see hope.

Suzi said calmly: “In terms of blood relationship, you are my father, which I can’t change, so I should call your father.”

“Xiangxiang, you...you know that we are father and daughter, father and daughter by blood relationship, this is inseparable, right? So you know that you are obliged to support your father, right?” Jarod looked at Suzi expectantly.

In this world, he has relatives.

He Jarod has a daughter.

His daughter has a successful career in Nancheng and is respected by others.

His daughter is very capable, so as a father, he is also a backer.

From then on, he can rely on this daughter to support his life. The freedom to live in the next life is here.

Jarod looked at Suzi with incomparable eyes.

Suzi asked calmly, “Do you still understand the alimony method?”

Jarod smiled shyly: “Dad, my father is also a college student. Of course he understands the law.”

“Since you understand the law, why didn’t you support me from when I was born to when I was twelve?” Suzi asked.

Jarod: “...”

After a long while, he explained: “Xiangxiang, you were still young at that time. It wasn’t that your father didn’t support you, but your mother took you away. Where did your father find you?”

“Isn’t it because you cheated on your marriage and forced my mother away, and then my mother was desperate, and you married my mother to my father?” Suzi asked rhetorically.

Jarod: “...”

After a pause, he licked his face and said, “Even if your father didn’t raise you before you were twelve years old, but after you were twelve years old, your father raised you, and he also supported you to go to college, and... ..”

“Support me! Isn’t it your duty to support me to go to university!

But what have you done to me!

You know that I am your daughter, but have you admitted me?

You never admitted my relationship with you!

You never asked me to call you Dad!

Also, for the eight years you raised me, you paid a price, and you asked me to pay it back!

You abruptly deprived me of my right to go to college and sent me to prison yourself!

Two years in prison, I have paid off the kindness of your upbringing to me! “

Chapter 2081

Jarod can do things like his biological father sending his biological daughter to prison, so it is doomed that he will never forgive Jarod for the rest of his life.

“Also!”

Suzi sneered: “It doesn’t matter if you send me to prison, you will take advantage of me when I am in prison! Take advantage of me! Let me accompany a man! If I fail, I and this man will be killed. To die together!

If successful, so much credit is yours again!

And your adopted daughter, Lanita, can also marry my husband.

dad

Your wishful thinking is really thoughtful. What a feat? “

Suzi shouted ‘Dad’ one by one. Shouted as if they were not separated.

But what Suzi said was the most desolate thing: “Dad, do you think that I have such a father, am I unlucky, unlucky, or... unlucky?”

“But Xiangxiang, although everything Dad does is purgatory to you, what you get in return is not an endless purgatory life. On the contrary, you get the happiness of your life, and you get the most love. your man, isn't it?”

“Wrong!” Suzi interrupted his father abruptly: “All my happiness is earned by myself! I don't depend on anyone!

Just because of my hard work!

I almost died at the hands of your family of three!

Just because of my fight, your family of three hit me with a big truck and chased me for six years!

Jarod!

How are you still alive?

Is a father like you still alive?

Is it still alive now? “

Jarod: “...”

After a pause, his old voice asked fearfully, “Do you still hate your father?”

“Of course! Eternal life, hate to the bone!”

“Then you still came to see Dad today? You still called me, Dad?”
Jarod asked

Suzi sneered: “Because I want you to know that you are indeed my father, a father who has done the worst thing to his daughter! But he still wants me to raise you! You are really whimsical.

Because I want you to see that even though you have devastated me countless times, I am still alive and well.

Live for you!

I'm going to tell you too!

From now on, I will take care of you and do my duty as a daughter.

I will raise you until you are old, and let you live in the detention center for a lifetime. “

Jarod: “Daughter, you...don't you take Dad out?

I broke up with Moira long ago.

I fight Lanita every day.

I broke up with their mother and daughter. “

Jarod looked at Suzi desperately.

Suzi didn't look at Jarod anymore, but looked at Shen Weiyi: “Let's go, daughter.”

“Mom, do you understand your wish?” Shen Weiyi asked.

Suzi: “Understood, I am relieved to see how he still doesn't know his fault, is still selfish, doesn't know how to repent, and still hopes that I can pick him up to live with him.

From now on, I will never worry about him again.

However, I will pay monthly alimony.

Because he is my father. “

Suzi said with clear tears.

“Mom, you will no longer have no relatives in the future. You have me, two younger brothers, and a grandma who loves you. You will have nothing in the future. Mom, when I grow up, I will love you, and I will never again. You were bullied.”

Suzi put his arms around his daughter: “Yes, my only one has finally grown up, and my mother has also made it through. My only one is

more capable than my mother. At the age of twelve, I can enter and leave the capital of Nancheng, and I can go abroad. My English is good. A complete mess. Absolutely a mother's pride."

Shen Weiyi took advantage of the situation and said to his mother, "Then mother, do you allow me to fly to Kyoto by myself to find Sister Mingsai. She is intern at the Kyoto Hospital, and I want to give her something to eat."

Suzi smiled: "Of course there is no problem!"
