

# PUNISHED BY HIS LOVE

## Chapter 2336

Hearing Shu Mingxia says this, Suzi was mad.

It was he who drove their mother and daughter away, saying that their mother and daughter were outsiders, and they wanted the family to discuss it. Now my mother just said something along the lines of him, and he just hates her like this?

“Shu Mingxia, what are you talking about!” Suzi said calmly.

With her quality cultivation and consistent calm temperament, she is very calm.

Being able to hold your breath doesn't mean you have to be obedient.

“How old are you? Do you have the right to speak here!” Shu Mingxia immediately angered Suzi, not giving in at all.

It was too late to be angry, and he muttered in his mouth: “What has this family been tossed about by your mother and daughter! I won't let you toss!”

Suzi: “...”

She was literally laughing.

“Big brother!” At this time, Darius became angry. After remembering

the website and shouting, he turned around and comforted Suzi: Suzi, for my sake, please bear with me first, take care of my little aunt first, I'm sorry, I'll take care of my eldest brother's affairs. .”

After saying that, Darius came to Shu Mingxia again: “Big brother! You are too much! The little aunt is our own little aunt! This is a blood relationship, which can be identified.

And SuziSuzi belongs to the little aunt. My biological daughter, there is no doubt about it!

The little aunt and SuziSuzi are our relatives! They

are our father's biological sisters!

Just like me and you!

big brother! “

“A Zhen! The eldest brother sneered and looked at Darius: “Azhen, why did my grandparents, my parents, and my mother send the three of us abroad back then, you should know best!

It's not just because the education abroad is good, it's good in all aspects.

Not just because of this!

No matter how good foreign education is, there are some abroad, including Nancheng and Kyoto!

Why do we need to go abroad?

When we went abroad, your second and third brothers and I were not used to western food. One year our three brothers were hungry and lost dozens of pounds in one year!

In the first few years abroad, our three brothers were not having a good time!

That life is not an exaggeration to say that it is suffering.

But why not let you go?

Because you are the youngest in the family!

Parents, grandparents, including three brothers, love you the most!

Because you are weak because I don't want you to suffer like us!

So, in the end, the whole family unanimously decided to keep you at home, with your parents, grandparents! Hearing the

elder brother say this, Darius immediately said: "Brother, I know, I know all the situations you mentioned, the love of my parents, my grandparents, and I have all enjoyed it by myself.

These, I have always been grateful to all three of you.

But, what does this have to do with the little aunt and SuziSuzi?

Auntie and SuziSuzi are indeed our relatives, eldest brother.

Darius asked Shu Mingxia earnestly. Shu

Mingxia glanced at Alyce and Suzi, and said coldly again: "Humph! What does it have to do with them! Of course, it does! Not only has a relationship with them but also has a bigger relationship with you!

Your responsibility is the greatest! "

Darius: "You..."

He reluctantly controlled the anger in his heart: "Brother! What are you talking about! "

"ruthless words ! Can wake you up! Wake up, fourth brother! "Big brother Darius continued to scold Darius.

"Azhen!" I ask you! Now that you know that your family loves you so much, you are not allowed to suffer abroad, and you have always been loved by your parents, grandparents, and grandparents, but you are grown up now! In your thirties, you are the only young and strong one in the family!

You should shoulder the burden of waiting to protect our entire Shu family!

But what about you?

What have you done all these years?

I found a cousin!

Then I found another aunt.

For a few years, the comfortable family business has not seen growth in your hands, but you are constantly adding people to your home!

If you increase the population, you will marry a wife and have children, grandchildren, and granddaughters for grandfathers, parents, and granddaughters, it will also make us all happy.

But what about you?

Who do you think this is?

Who are these people! You should take it home with you!

## **Chapter 2337**

It turns out that these indifferent people you brought back, you can see for yourself, what are the virtues?

You bring it home, they will not be polite to you!

They want to divide up all the property left by our ancestors!

Ruining our entire Shu family!

Fourth brother!

If I come to a step later after our Shu family has been divided up, do you think you can be fair to the ancestors of our Shu family? “What

I said was very righteous. The

ancestors all moved out.

“They are not outsiders!” “Darius was annoyed.

He emphasized again: “Auntie and SuziSuzi are our closest relatives!” Besides, SuziSuzi is not short of money! Their Fu Group’s property is more than you and I combined!

They have no shortage of money at all! “

“Really?” Not short of money? Shu Mingxia glanced at Suzi with a sneer.

Those eyes were very contemptuous. After a

pause, he said again, “Suzi! Alyce! Don’t think that you have deceived my parents, my grandfather, and my brother, our entire Shu family is yours!

I, Shu Mingxia, are not stupid!

I’ve done a lot of research on you guys before coming back!

you!

Suzi, right?

Twelve-year-old boarding at Lin’s house, but what about you? Let’s fight for mercy, the entire Lin family has been torn apart, and now the three members of the Lin family are in custody!

almost neurotic.

what about you?

You have been subsidized by someone else’s family for eight years!

From high school to college!

All the Lin family gave you money, and you not only did not repay the kindness.

You repay your kindness!

Ruined a whole family!

Did you destroy the Lin family, and also destroy our Shu family? “

Suzi sneered and looked at the man named Shu Mingxia.

She didn’t say a word. She

just waited for Shu Mingxia to say it back.

Shu Mingxia looked at her mother Alyce again: “And you! old woman!  
You didn’t show up, how good and harmonious our family is!

Our Shu family is a good example of good tutoring in Zhennancheng!

You appeared, my brother not only brought back a girlfriend?

Where’s my grandpa!

My grandfather is so old, he has to run from you all day long.

And you, even a word of concern, can’t give my grandpa!

Is this what a daughter should do?

Alyce, may I ask you if you have any sincerity? “

“Ming Xia!” At this time, my father also came over and scolded Shu Mingxia for a while: “Mingxia! This is indeed your little aunt! “

“No! A mistress, a vixen, and the daughter of a woman who maddened my grandma! He has never entered the gate of our Shu family, and has never served my grandfather!

It always makes my grandpa angry.

Until I got angry with my grandfather, did I openly divide the family property?

This and that Tong Jianan!

What is the difference between Tong Jianan, who has just been arrested and jailed!

I don’t think things are that simple at all!

Tong Jianan is in prison now, and Suzi was in prison for many years!  
My little aunt was the first person to contact Tong Jianan!

They are obviously a gang, and they are in unison!

They are going to destroy our Shu family...”

“Crack! “Shu Mingxia didn’t finish his sentence, but he received a slap on the face.

Suzi’s hand was so painful that she shook her hand and said to Shu Mingxia coldly, “You can do it again.” Insult my mother like this, I will kill you!
