## I' m Sorry My Love Novel Alternative

### Chapter 2360

Everyone present was stunned when they heard Arron's words.

Especially Suzi.

Her face suddenly turned pale.

His lips were trembling, and his eyes were full of fear: "Shaoqin, what did you say, what is your daughter, what's wrong with your daughter? The only, what does the only have to do with the three of them?"

In fact, with Suzi's intelligence , she guessed everything.

But she didn't want to admit it.

Shen Weiyi, who was unwilling to admit that he had suffered many disasters since childhood, was kidnapped by the three brothers of the Shu family.

"No! A lot of Qin, no!" Suzi's voice was trembling, and his voice was so exhausted that it made people think of a ghost: "I don't want the only kidnapped, I don't want... I want the only one, I want me The only one... Shaoqin, I want the only one... You go and find the only one for me.

You go to the only one!

What are you still doing here!

You go and find the one... ..

the only...if I can't go back, I won't be alive...

ah...”

A column of blood suddenly spewed out of Suzi’s mouth, and the whole person fell down instantly.

“Suzi!” Arron hugged Suzi quickly.

Suzi had already fainted.

Nothing can beat this woman.

Poverty in his youth, being bullied and throwing feces when he was in school, being abused as an exchange student, living like a beggar in his biological father’s house when he was twelve to twenty years old, and later in prison , and later was expelled by the entire Nancheng people, criticized and framed.

Nothing can beat her.

In everything, she can stand up stubbornly, and when she can’t resist, her silent resistance is also a strong and unyielding attitude.

She is so tough.

But at this moment, the woman was knocked down.

Nothing matters.

It doesn’t matter!

But her child is her life.

How could those three dead things that were cut with a thousand cuts were so inhumane to kidnap a twelve- or thirteen-year-old child?

In an emergency, Arron raised his hand and pinched Suzi’s Renzhong acupoint. After a while, Suzi woke up faintly, with blood blisters still in her mouth.

There was not a single tear in her eyes.

He only looked at Arron in despair, his voice hoarse like a jackdaw:  
“Shaoqin, I...the reason for everything is because of my mother and me, I...I suffer from everything. You can eat it, you know.

I don't want money. I don't want  
anything.

As long as they promise to let the only come back, we will give them  
all the property.

Give them!

Let them shoot at me, they chop me, kill me, burn me, cut my flesh  
one by one with a knife, whatever.

I can take it.

As long as they let the only one go.

Okay, Shaoqin?

OK?”

“Okay!” Arron burst into tears.

a big man.

The head of the dignified Fu Group, the symbol of Nancheng, has  
never seen him cry.

But at this moment, when the man hugged his wife, he cried like a  
helpless child.

Everyone there cried.

They have accused the secretary Ai three brothers.

“It's too much! Others are managing your family's funeral, but you are  
kidnapping people and children!”

“How can you do this! Are these three brothers making trouble when  
they come back?”

“If these three brothers are caught by me! I am not a machine gun bald. They can’t be killed!”

“I don’t know how virtuous and prestigious the Shu family in Nancheng is! All I know is that Shaoqin and I are brothers! Although my Zhongmo Exhibition is not as rich as Shaoqin’s financial resources! But I can also be famous in the southwest frontier. No! If the three brothers dare to touch a hair on my eldest niece! Even if the three brothers go to the ends of the earth! From the farthest place in the world, I will chase them

back

## Chapter 2361

At this time, Kraig, who has always been speaking for him, also calmly spoke: “Uncle Shu, Auntie, Ming Zhen To tell the truth, this time the boss and the three of them have done too much! Since the affairs of the three brothers and Suzi and Aunt Shu are your family affairs, our friends of

Shaoqin have never been involved. It’s their three brothers’ fault for this matter to start from the beginning! They

haven’t been filial since childhood, so why should they interfere in the affairs of the Shu family?

The money that the old man wants to leave to Aunt Alyce is not all of your Shu family’s assets, even half of it. None of them.

That’s just the old man’s personal assets.

Your Shu family’s property and Mingzhen’s property, with the help of Shaoqin in the past seven or eight years, have been worth tens of billions of dollars.

But they are not willing to even ten billions. Leave it to Aunt Alyce? You

know, Aunt Alyce is the father’s biological daughter!

And they are grandsons! They

have no right to intervene in the affairs between father and daughter!  
But they still have to point fingers

here!

Aunt Alyce and Suzi have already given up, and they don't want the money. You said that if you drive them away, they will turn around and leave!

Why

is this?

But they are better! Step

by step.

Step by step!

All kinds of making things difficult for Aunt Alyce and Suzi!

In the end, their harassment led to the fact that the old man was unable to go to the cremation for a long time, and the corpse was hanging there!

If Shaoqin hadn't come over, he would be forced to preside over the overall situation!

The old man's corpse is probably about to rot!

These bastards!

They are very powerful abroad, aren't they?

Rich and powerful?

Nothing missing?

Then I want to see if their power is large enough, or my Kraig's iron hoof is stronger!

The power of the curtain show is not enough!

And !!

Even if they go to the ends of the earth, my iron hoofs must flatten them! “

Speaking of this, both Darius and Shu’s parents have nothing to say.

Shu’s father and Shu’s mother wanted to plead for their son, but Suzi couldn’t even stand, saw the blood on Suzi’s mouth, and saw Arron cried like a child, and they couldn’t say anything. They

could only sigh deeply.

Three things that don’t live up to their expectations!

After all, Darius is young and can handle things.

He looked at everyone present and said: “You guys Don’t worry, even if you don’t chase my three brothers to the ends of the earth, I will not let them go! I will definitely give my little aunt, Suzi, and fourth brother Fu an explanation.

If the only one can’t come back, our Shu family will apologize by self-destruction! After saying that, he looked at Suzi: “

You all help, send Suzi to the hospital first, her body can’t support it anymore. “

Only then did everyone think of Suzi.

They called on the phone, supported by support, and sent Suzi and Arron to the hospital in an instant.

As for Mr. Shu’s funeral, it should have been a sensational funeral. It should have been left at home and the coffin would have been buried in a sensation.

But because of this one and only thing, it ended hastily that day and put it into the tomb.

This evening, all relatives and friends accompanied Suzi in the hospital.

The doctor gave Suzi a sleeping injection, but she still hasn't woken up.

On the bedside, the phone rang in Suzi's bag.

Who will be calling?

Arron, who was beside him, was about to get up to pick him up, when Suzi, who was sleeping, suddenly sat up, and like a cat, he quickly took out his mobile phone from his bag and quickly connected.

Her voice was still hoarse: "Shu Mingxia! I know it's you, tell me where my daughter is! Tell me quickly!"

She roared like crazy.

"Mom, I'm the only one..." On the other end of the phone, it was Shen Weiyi's soft and delicate voice.
