

When His Eyes Opened

Chapter 2413

Chapter 2413

Layla: “Don’t bother me! I haven’t finished my homework yet!”

Robert stood beside her sister with a look of grievance, daring not to move or talk nonsense.

Layla looked at Robert’s pitiful appearance, like coaxing a puppy, and patted his head: “Sister hasn’t finished her homework! Go to Mom and Dad!”

“The two of them went to the room to talk about things, I don’t know. What are they talking about, the doors are closed.” Robert snorted, “No one is playing with me.”

“Where’s Grandma Cooper?” Layla asked.

“I don’t want to play with Grandma Cooper. I want to play with you, with Mom and Dad.” Robert pursed his mouth and made his request.

“I told you that I didn’t finish my homework. If I play with you, and I don’t do well in the exam, then I can’t go out to play.” Layla was a little worried.

How could Robert understand her sister’s mood?

“If you can’t go out to play, then play with me at home! Sister, I like to play with you the most!” Robert grabbed her sister’s hand and pouted her coquettishly.

Layla’s love for Robert vanished in an instant, and she was angry.

“Go away! If I can’t go out to play during the winter vacation, I won’t play with you either! If you keep arguing with me on my homework, I’ll beat you!” Robert burst into tears when Layla became angry.

Robert ran out of her sister’s room crying and went to beat her parents’ door.

In the master bedroom, Elliot and Avery just took off their clothes, and before they could do anything, they were startled by their son’s cries and knocks on the door.

The faces of the two were crimson, with helpless and complicated emotions flashing in their eyes.

“Why is my son crying?” When Elliot said this, he had already got out of bed, picked up the clothes on the ground, and put them on.

“He cries so hard, he must have quarreled with Layla.” Avery pulled the quilt up and lay down, “Go and coax him, I’ll lie down for a while.”

“Then wait for me, I’ll be there soon.” Elliot looked at her affectionately.

Avery received the message from his eyes, and her face burned again.

Avery: “You go to coax the child first! It’s so noisy, how does Layla do her homework?”

“Well.” Elliot put on his pants and strode towards the door.

Soon, Elliot carried his son downstairs, and the little guy’s cry gradually stopped.

“Dad, what are you talking about with my mom in the room?” Robert’s eyes were red from crying, but now he has calmed down

and his mind is very clear, “Have you talked about it?”

Elliot rolled his Adam’s apple and tried to calm down and replied: “We’re almost done talking.”

“Oh...then why didn’t my mother come down? I cried so loudly that my mother didn’t even come to see me...”

Robert said, his

mouth was shriveled again, as if he was about to cry again.

Elliot: “...”

“Your mother went to see your sister to do her homework.” Elliot made up a lie, “Your sister is about to take the exam, and there

is a lot of homework now. When your sister is doing homework in the future, don’t quarrel with her, okay?”

“You don’t even play with me, and you still think I’m noisy, woohoo!” Robert rubbed his eyes with both hands, not to mention how wronged he was.

“Okay, don’t cry, Dad is playing with you. Isn’t Dad playing with you?” Elliot took his son to the toy area and played with him with toys.

Master bedroom.

Avery waited for a while and saw that Elliot was not there, so she opened her mobile phone mailbox to see the plan sent by the vice president.
