

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel Alternative

Chapter 2668

However, Galia is not.

People in this world have different personalities.

Galia's heart is not as strong as Suzi's.

Galia's character is doomed that she needs a strong role model to encourage her.

She needs a strong person to pull her hard.

And tell her for sure, you can do it!

"Galia, don't be afraid, I tell you, no matter what you are, you are God's baby, you are my friend, I will support you, always support you, you are a good girl, you are doing great

You have helped four old people. You

have never bothered me, which shows that you are very sensible.

You have always been honest and reliable in the company, you are conscientious, and people in your company like you very much. You are because of you. The work is too good, the fashion director promoted you

exceptionally, and you did a good job in the fashion department. Remember the website address.

You are working hard to learn English, spoken language, and translation.

You can communicate with customers in pure English recently .

You are great." Yan

Yan cried and looked at Suzi: "But I did something wrong before, I was too messed up at the time, I really pestered Liao Jie like a lunatic, I will... ..have to talk to him face to face in the future.

I'm... just an asshole, I was so disgusting back then.

I can't face him.

Woohoo..."

"Normal, you have to do everything possible to overcome yourself and tell yourself that there is no relationship between him and you, he is your client, and you are just a work relationship." At this time, Arron, who was standing behind the only one He suddenly took a step forward, stood in front of Galia, and spoke to her calmly.

Galia: "Fu...Mr. Fu...that, Fu...Mr. Fu. Am I...is it bothering you, yes.I'm sorry, I..."

Galia was overwhelmed with fright.

"Listen to Galia!" Arron suddenly grabbed Galia's shoulders and looked at her very solemnly: "The only one who can save you is yourself, no one in this world is perfect, everyone has done wrong, you The wrong things you have done are just a process of perfecting you.

The wrong thing you did at the time may be a wrong thing to you.

But what about God? It is possible that you are pestering your ex-boyfriend
That kind of behavior for more than a year is very cute in God's eyes?

At least it shows that you are a very affectionate girl.

Isn't it?"

Arron looked at Galia like a child.

He had never comforted a girl like this before.

He thought that he must be getting old.

I think it may be the only one growing up.

In the future, in a few years, the only one has to step into this society.

He thought that if one day the only one encounters a difficult situation, will
there be a wise man to give the only one or two pointers?

As a father, it's amazing.

Arron, who was so cold-hearted back then, would actually help a girl to
overcome the obstacles in her heart so hard at the gate of his house.

Galia, who had tears in her eyes, was stunned.

She looked up at Arron and asked, "Mr. Fu, you don't... look down on me?"

Arron smiled.

He rarely smiles.

However, when he smiles, he looks like a father, an introverted, irrefutable father who exudes a fierce and imposing body all over his body.

Shen Weiyi, who was standing next to his father, also smiled proudly.

Shen Weiyi was clinging to his father's arm, and said to Galia very relaxedly and gently: "Sister Galia, you are really cute, why are you so innocent."

Galia became even more shy.

She looked up at Arron and Shen Weiwei's father and daughter: "You...you don't...dislike me at all?"

Arron didn't answer Galia's question, he just said solemnly and simply Said: "Galia, you have to remember that you are in the Fu Group, and you are the master. Master, do you understand?"

Chapter 2669

Galia involuntarily repeated: "Master?"

"You are a staff member of Fu Group This is only one reason, more important The only thing is that you are Christopher's girlfriend, and you are going to get married in the near future, so the 20% of the Fu Group shares that Christopher owns are yours.

You say you are the master." Arron Looking at Galia, she asked.

Galia: "..."

She was like in a dream that she had golden fingers.

"So Galia, you should always put yourself in the position of the master to consider the problem.

Inferiority, everyone will be inferior. For

example, when you see a hurdle that you can't overcome, you feel inferior.

But you want to Have you ever experienced my Suzi?

Suzi also has low self-esteem.

However, Suzi's situation at the time was more than ten times more difficult than yours. She could no longer take into account the question of whether she was inferior or not.

She thought about how to protect herself at all times. She and the child in her womb, and even when she went out to work with her child every day, she kept bricks, knives and the like in her bag. It

was because she wanted to prevent her biological father from harming her.

How could she care about her back then? Inferiority or not?

To say it is embarrassing, Suzi was surrounded by high-ranking people in Quannan City in the hall of the Fu family, as if she had been stripped, but she still had to face those.

At that time, Suzi thought It's not inferiority complex.

It's how to properly deal with those people she is facing.

do you understand? Fu

Shaoqin looked at Galia very patiently.

Galia: "..."

She seemed to understand.

It seemed that she didn't understand.

"You have to be cruel." Arron continued.

It was the first time he saw this girl.

However, he often heard from his wife that Christopher had a girlfriend, who was very nice and down-to-earth.

Since this year, Galia has Christopher, Arron can feel every bit of what he has done for the Fu Group and the Yan family. This is a kind girl.

She has many shortcomings.

However, she has a very valuable advantage, the girl is very kind, very honest.

She's vain!

But she's not a scheming girl.

And, this girl is timid. She did

so little wrong, used to have a college degree to deceive people, used to have a good relationship with a boy, don't want to I broke up with others, and I was entangled for a while.

Oh!

Also, I owe 110,000 to 20,000 quick money in the bank.

That's all?

Torturing such a good girl, I always feel that I have done a lot of bad things in my life. It's like. I always feel like I've lost the world?

What about them?

From the day Arron was born, he was destined to have a brutal internal conflict with the family members. In the end, the price he paid was his mother's life and his brother's death. What about others? Isn't it going to go to the eighteenth level of hell?

Galia, this child is really cute.

"Heartless? "Galia really doesn't understand.

"Cao Cao, you should know, right?" Arron asked.

Galia nodded: "Yes, I've seen the Three Kingdoms."

"Cao Cao's creed is that he would rather be blamed by the world than let the world blame him, and he has always known his mistakes and corrected them instead of admitting them. This is the His majesty is brilliant.

Galia, we ordinary people can't be as casual as he is.

However, we must also love ourselves like him."

Chapter 2670

"Love yourself? Mr. Fu, did you mean that I want to love myself?" Galia asked.

"Forget it. There are many kinds of people's self-love, and the best way to understand it is the literal meaning. If you love yourself, you should think about yourself first in everything without hurting others.

Make yourself comfortable and put yourself in the most powerful and most powerful position. You have a position of peace of mind.

You love yourself."

Galia's eyes suddenly lit up: "Mr. Fu, I... I seem to understand... you... continue with you. Say."

She gradually felt that Arron was not scary anymore.

She found that Arron was really a wise man, and pointed out her direction at once.

Under the guidance of Arron, Galia understood that it is not important to win back self-esteem. Sometimes you will be fettered by too much self-esteem. Too much self-esteem is also a manifestation of inferiority.

Moreover, it will become the disadvantage of others attacking you.

True self-confidence is not earned by winning back self-esteem.

Rather, inner calm and strength.

That is, as long as you don't do bad things, don't do illegal things, and don't hurt anyone at this moment, then you are the best and the cutest.

In terms of self-consciousness, as long as I don't get in the way of others, I'm the best.

the best!

I want to live free and unfettered by external factors.

"Mr. Fu, I understand what you mean by wanting me to be ruthless. I want to be ruthless, that is, I will no longer be polite to those who hold an opinion of me and cannot change their opinion of me because of my efforts.

I will remove him from my heart without hesitation!

I also understand what you just said to me, that I am the owner of the Fu Group.

As the owner, as a member of the company, during my tenure in the company, There is only one identity of mine, and that is the business responsibility of the Fu Group.

In this position of business responsibility, I have no enemies, no one I hate, and no one who has a holiday with me. I only see mine in my eyes. Clients and collaborators, even if this person and I have a deep hatred, as long as I am in my work position, this person is my partnership.

I have to put my mind right.

Neither complacent nor complacent Personal emotions. Let alone feel sorry for myself

.

Just like Liao Jie now, although he is my former boyfriend, I must be absolutely fair and calm.

There is no longer the past in my heart, no inferiority complex, no more Any psychological burden!

Thank you, Mr. Fu, you.

Thank you, Sister Suzi.

From this moment on, I am who I am, and I will not have any psychological burden.

I will face my partners with ease . I will

definitely be able to Do it, keep the same and respond to all changes. It

will definitely be possible!”

Seeing Galia who was suddenly enlightened, Shen also smiled.

She raised her hand to hold Arron’s arm and said with a smile: “Shaoqin, the older you are, the more kind and patient you become. Why are you chattering like an old father?”

However, it is very useful.

You can be a psychiatrist. Fu

Shaoqin sighed with emotion: “Suzi, our only one is about to go to high school. Who can guarantee that their children will have smooth sailings in their lives?”

As a parent, it doesn’t matter whether she can become a talent or whether she can be excellent. I must first teach her to take care of herself.

My child, as long as she is happy all her life and doesn’t get knocked down by any outside factors, I am very satisfied.

When I saw this girl, I thought of our only one. ”

Suzi rested his head on her husband’s shoulder: “I understand your intention, husband. ”

“Galia is still watching!” “Arron said in a low voice.

Galia also responded immediately: “President Fu, sister Suzi, the only eldest young lady, I won’t bother you anymore, I’m leaving, bye!” When I get paid next month, I will treat your family to dinner! The

little girl ran away happily.

At this moment, she was full of confidence. As

soon as the confident little girl got on the bus, she received a call. She picked it up and connected it with a very incomparable tone. lightly: "Hello? May I ask who is calling? "

Chapter 2671

"Galia, how thick is your skin?" Liao Jie was angry and contemptuous from the other end of the phone sound.

Galia: "..."

If she didn't see Arron before, she might panic, feel sorry for others, feel guilty, and be incoherent.

until it collapsed.

But now, Galia has suddenly become enlightened.

She has to calm herself first.

To love yourself.

The ancients Cao Cao would rather let him blame the world, not to let the world blame him, that is the ultimate love for yourself, Galia will not be so selfish, Galia will not blame anyone, of course, from this moment on, she will not let it go. Anyone, blame her.

"Mr. Liao, whether I have thick skin or not, does this have anything to do with your cooperation with our company?" Galia's calm tone did not mean any anger or anger.

Liao Jie couldn't answer for a long time: "..."

He didn't expect Galia to be a different person.

Galia in those days did not have this invisible aura.

Galia in those days made him lose face.

He liked Galia at first because Galia was well-behaved, and Galia's obedience and submissiveness made Liao Jie have a desire to protect her.

And the little girl is obedient.

During the period of falling in love with him, the little girl never acted like a spoiled child, never begged him to buy her gifts.

At that time, Liao Jie thought, how worry-free is it to fall in love with this little girl?

You don't have to worry about whether she is angry or not every day, and you don't have to coax her every day.

He played basketball with people, and she sat next to her and looked at her clothes, water bottles, etc.

He was tired from playing football and was sweating profusely, so she carefully wiped the sweat for him.

The dirty clothes, stinky socks, and stinky shoes he changed, she would follow him to the room he rented near the company and wash it for him.

During the time when he was in love with Galia, Liao Jie didn't even think that he was a man. He felt that he was like a little princess who was taken care of by Galia in every possible way.

He couldn't even tell whether he loved Galia more or depended more on him?

Anyway, he was completely used to that, Galia washed his stinky socks and his clothes, quietly like a little fan, sitting next to him and watching him play basketball with others.

In fact, he really enjoyed that time.

However, what Liao Jie never expected was that Galia actually cheated on the company.

Not to mention that she graduated from college, she is a small country turtle who has not even graduated from junior high school, and she still pretends to be so decent. For her clothes, she even owes a huge debt to the bank.

At that time, Liao Jie's heart collapsed.

The whole company knew that he fell in love with a little girl from another department, and the whole company knew that the little girl came in with a fake degree, and then because she didn't know English, she went out to find a translator secretly, and even took the company's The core data has been disclosed to rival companies.

Overnight, Liao Jie became the target of public criticism.

"Liao Jie, you already knew that your wife was fooling the company with a fake degree?"

"I heard that your wife graduated from elementary school?" "Liao Jie, what do you like about her

?"

Wei'er? I guess, she must have dedicated herself to you? That's why you took such a risk to help her?"

"I said, Young Master Liao, how could you be so good with such a good family background?" The

company's saliva almost drowned Liao Jie.

He wanted to take a loudspeaker and announce loudly in the company that he didn't know about Galia's fake education, and he had never slept with Galia for a day. He was a boy with a good tutor. If he didn't make up his mind If he married Galia, he would not easily have a relationship with Galia,

he did nothing!

But will anyone believe it?

Won't!

Liao Jie had a bright future in that company, but it was destroyed by Galia overnight
