

PUNISHED BY HIS LOVE

I'm Sorry My Love Novel Alternative

Chapter 2768 – 2769

Chapter 2768

I just can be friends with him, and I can take care of him at ordinary times, and I am very satisfied.

I've never thought about marrying him in my life.

I will not defile him.

It will not compete with your daughter, your Galia, for maternal love.

I will neither.

Don't worry, if you think I'm ugly and don't want to see me, I don't have to appear in front of you, I can do it.

I just need to know regularly that you are all right and that you are healthy in every way.

I... that's what I want. "

What she said was so sincere, so sincere that Yan Weimin and Luo Jin had tears in their eyes.

"Old woman..." Yan Weimin choked up.

Luo Jin looked at Yan Weimin: "Huh?"

"Do you believe in blood relationship?" Yan Weimin asked.

Luo Jin: "..."

"I know our daughter's whereabouts are still unknown. If our daughter doesn't show up, we can't recognize other girls randomly, but why do I always feel that Mi Lu is our Galia, even if her DNA is not like ours, I still think she is Galia?" Yan Weimin said, and then burst into tears.

Luo Jin: "Woohoo ... I also ... I also feel like this. Milu is our daughter, for the people, what should I do ..."

Yan Weimin cried and shook his head: "But, it's so unfair to our daughter."

"Our daughter, our Galia, is so pitiful, if we meet Mi Lu, it means that our Galia will never have a chance to go home again in this life, which means that even her Mom and Dad have given up on her, we..." Luo Jin cried and went north.

Mi Lu was completely moved: "I know, uncle and aunt, I know, I understand the reason why you don't recognize me, I understand, I... this life, I won't recognize you again, I never will."

"But child..." Luo Jin looked at Mi Lu.

She really misses this child.

Even if it's a lie.

This child really deceived the relationship between their husband and wife.

"What do you want us to do?" Luo Jin held Mi Lu in his arms.

"Mother-in-law, don't cry, don't cry, quickly wipe the tears." The little girl wiped Luo Jin's tears with her chubby little hands.

Luo Jin was stunned for a while.

"Mother-in-law, don't be sad, Honey gave the candy to mother-in-law to eat." The little girl spit out the lollipop that was left in her mouth, and was about to stuff it with Luo Jin with the halal seeds.

Luo Jin suddenly smiled: "You little man..."

"Mother-in-law laughed...hehehe." The little boy on the side looked at Luo Jin with a smile.

"Children, come, let... let grandma hug, come to grandma's arms, grandma will give you a big red envelope." Logic opened his arms and looked at the two children.

"Grandma?" The little girl didn't understand.

The little boy is more than ten minutes older than the little girl, but he understands a lot more than the little girl: "My little sister is stupid, and my grandma is my mother's mother."

"Mom and grandma..." The little girl immediately threw herself into Luo Jin's arms.

Mom's mother, of course, is a very close person.

"Grandma..." The little boy was very manly, he didn't jump into grandma's arms, she stood beside grandma, very gentleman.

"Hey, good grandson." Luo Jin smiled.

"You... are you willing to admit my child too?" Mi Luzai couldn't believe it.

Luo Jin shook his head: "To tell you the truth, kid, we can't admit it, but..."

Chapter 2769

Hearing Luo Jin's turning point, Mi Lu was extremely disappointed, but she thought about it again in a blink of an eye.

Luo Jin did not admit that they were right.

"However, my old man and I can love these two children. If you want, we can also pick up the children, and we will help you take care of the children." Luo Jin's words were extremely sincere.

It was the only compromise she could think of.

She wanted to recognize Mi Lu and the child in her heart.

However, she also knew that Mi Lu was not Galia. If she recognized Mi Lu, once Galia was still alive, then Galia would be so pitiful.

So can't recognize it.

"Thank you, thank you so much, I'm already very grateful." Mi Lu smiled and shook her head and refused: "I really don't need you to help me with the child, I'll keep the child here, it's fine."

Milu looked at the elderly couple who helped her take care of the children.

The old man had already returned from shopping. At this moment, when he heard Luo Jin say that he wanted to help take care of the children, the old man was actually nervous.

But when Mi Lu said that he would not let the children leave them, the old man laughed happily again.

He put the various side dishes he bought in the living room, and then sat on the sofa and sighed.

"The only child of our old couple is gone. If it weren't for Mi Lu, we might not be able to live a long time ago. It is Mi Lu, and the two children have given us hope of living. The two children are us. the baby.

Don't worry, my wife and I will take good care of the children..."

"That's it." Darius interrupted the old man's words and said, "I will bring you two to my house and give you a side house for you to live in. You can bring your children, and the children can be closer to Mi Lu.

What do you think..."

The old man looked at the old lady.

The old lady looked at the old man.

After a long while, the old lady spoke up: "As long as we can be with our children, we can go wherever we go. Nancheng is not far from us, and we are not traveling far away, what's wrong with that?"

"Okay! That's it!" Darius said with relief.

He really likes the two children here from the bottom of his heart.

He thought, no matter who Mi Lu is, the child is innocent. Even if Mi Lu is not Galia, the child is not his child, but taking care of the two children can be regarded as praying for the missing Galia.

Hopefully, somewhere in this world, someone will help Galia.

When the child's affairs are settled, they will all have the same mind.

After these people ate and resettled at the old man and the old lady, they brought some changes of clothes with them, and returned to Nancheng with Darius.

The old man and the old lady live in the courtyard of the Shu family with their children.

When the two children saw such a big yard, they were happy and ran in the yard.

The cheers and laughter also alarmed Darius's parents.

They are also old people, and the Shu family has a great career, but they have no descendants until now.

In the huge yard, let alone two children running back and forth to play.

Even ten children are enough to run.

Darius's parents were no less happy when they saw their children than because of Min Luojin and his wife, they almost interacted with the children.

Standing at the door of Shu's house and watching all this, Mi Lu was already extremely satisfied.

"Why didn't you go in?" Suzi asked, standing behind Mi Lu.

Mi Lu shook her head and said bleakly: "I don't want to cause them any more trouble. For me, life is perfect for me to be like this. In this voice, I'm not asking for anything..."

I'm not expecting me to have a husband.

Don't expect my parents to admit me.
