

## Chapter 2822

After everything was settled, Darius burst into tears.

“What’s the matter, my son?” Mother Shu has lost three sons, and only this one is by her side. She sees her son crying like this, and Mother Shu is naturally very sad.

“Mom... I just think that good fortune tricks people, good fortune tricks people! It turns out that everything is God’s will, and everything is God’s will!” Shu Ming cried and burst into tears.

Mother Shu was puzzled: “what’s the matter, child?”

Darius cried and laughed again: “Mom, I finally understand why God let Galia suffer this calamity, and it has been four or five years. It turns out that although God gave her the greatest ordeal, it seems cruel and inhumane. , but also gave her the best return.

Otherwise, the person who really died, isn’t it my Galia?

Isn’t that my Galia. “

Hearing her son say this, Mother Shu also said with great emotion: “Yes, in the final analysis, our Galia is still the lucky Galia who is loved by everyone, even by God.

Ming Zhen, quickly bring Galia back, she has suffered too much for so many years.  
“

Shu Ming shook his head: “Yeah!”

When she turned around, she saw two small powder dumplings.

“Dad, are you taking my mother back to live?” Tiantian asked Darius.

Before Shu Ming shook her head, Mimi pouted and said, “If you don’t bring my mother over, I’ll... beat you!”

The little girl is getting more and more domineering now.

In addition, she has the blessing of her brother, and in the Shu family’s large courtyard, whether it is a fight with a cat or a fight with a dog, she is the one who wins, so Mimi always feels that she is invincible in the world.

Shu Ming smiled and hugged Mimi in his arms: “Dad is afraid of being beaten, if Mimi hits her dad, dad will cry in pain, so dad is obedient, mom will go get your mom back now, how about you? ?”

As soon as the two little powder dumplings heard that they were finally taking their mother back, they nodded desperately.

“However, before picking up your mother, you must bring your grandparents, your great grandparents, your uncles and aunts, and your mother’s good friends!” Darius said lightly.

Yes!

This time, Galia can finally show off.

He wants to take all Galia’s relatives and best friends to pick up Galia.

When they arrived at the grandma and grandpa’s house, they saw two little powder dumplings with their little white eyes rolled over, and Yan’s father and Yan’s mother cried with excitement.

Especially Mama Yan, she squatted down tremblingly and put her two children in her arms: “My treasure, my treasure, I have suffered you all these years, my treasures are all my grandma. Not good with grandpa! Woohoo...your mother, your mother really suffered.”

Tiantian is the most sensible and calm: “Grandma, grandpa, my mother can’t wait, let’s go pick her up quickly!”

“Okay, okay, this little thing is best kissed by your mother.” Grandma stopped crying, raised her hand to wipe her tears, and said, “Let’s go quickly to pick up our Galia.”

A group of people, mighty, everyone is very excited.

When they came to the hospital where Mi Lu was, Mi Lu was a little nervous.

“Miss Mi Lu, your complexion is really much better today, and you can already be discharged from the hospital.” Seeing the healthy Mi Lu, the nurse said with great relief.

“Mi Lu...” Mi Lu sighed: “I...not called Mi Lu, the reason why I have used this name for so many years is really a last resort, my name is Galia... .”

The nurse immediately said: “Yes, yes, Mr. Shu told us, let’s call you Miss Galia, don’t call you Mi Lu, Miss Galia... Congratulations on your discharge. “

Galia!

Hearing someone calling her like this, she immediately burst into tears: “Finally... someone called me Galia?”

The door of the ward was suddenly pushed open, and a lot of people rushed in outside the ward. The two children running in the front were the two little things shouting in unison: “Mom, mom...”

The one who followed closely was Yan’s mother Luo Jin. Luo Jin’s crying lips trembled: “Galia...my child.”

## Chapter 2823

Galia hugged her child and looked up at her mother.

At this moment, my heart is excited.

The excitement and grievance made her cry silently.

She threw herself into her mother's arms, and then Yan's father hugged them both, and the family of three was finally reunited.

No, it should be a family of five now.

Together with Darius, it is a family of six.

A family of six hugged each other, and the people next to the crying couldn't help shedding tears.

Even the little nurse had red eyes.

After a long time, Yan's father and Yan's mother let go of Galia.

“Okay child, let's go home, let's go home.” Luo Jin looked up at Galia, although not the original face, but the child is really his own child, the child has been missing for four or five years, and finally recovered. .

During this period, Galia contracted a rare disease that was difficult to cure in the world, but was cured by chance, and therefore changed blood and blood types.

During this period, the original Galia could not escape death, but the fake Galia replaced Galia to meet the King of Hell.

In short, his daughter Galia is the luckiest child in the world.

Those four or five years of suffering?

What can count?

In this world, is there any living person who has not endured a little storm?

Those sufferings are the wealth of a child's life. From then on, the child can learn to cherish, learn to be thrifty, and learn everything.

This is good.

Galia's return made the Yan family have a big banquet.

The entire Nancheng knew that Darius's wife had returned.

The message that followed was that in the near future, Darius and his wife Galia would hold a grand wedding.

"This matter has spread throughout Nancheng. I said when will your wedding be held?" In his spare time, Suzi asked Galia jokingly.

Galia looked at Pan Mingsai, who was sitting on the side and said gently: "Mingsai said that she can restore my appearance, but it will take two years and a little change. I want to wait until my appearance is restored. When I return to my original appearance, the wedding will be held again."

"I'll wait for you." Suzi said.

Galia was stunned for a moment: "What?"

Suzi raised his eyebrows: "Shaoqin owes me a wedding, it's been seventeen years since I met him, and he didn't even give me a real wedding. Now he's free, and the

whole Tian is clamoring to give me a wedding, but now I can't. The only thing is when I was in high school, my studies were very heavy. I don't want to distract her at this time. When she is admitted to college, her face will be fixed. Let's get married together."

When Galia heard this, she immediately became happy: "Okay!"

Two years, just over seven hundred days, in a blink of an eye, two years have passed.

Shen Wei was admitted to the best university in the world.

No one thought of this.

Because Suzi and Arron didn't pay too much attention to Shen Weiyi's homework, but they never thought that Shen Weiyi actually got into such a good school.

But this is also expected.

Shen Weiyi is too smart, self-discipline is very good, this child never makes people worry.

"Hey! I never thought about going abroad, and I don't have any big ambitions. Who knew that I was admitted to such a good school." Shen Weiyi said very calmly.

"Small sample! Look at you!" Suzi raised his hand and poked Shen Weiyi's forehead with a smile.

"Hey! I'm not..." Shen Weiyi couldn't help laughing: "Didn't I want to add some color to your wedding? Dear Ms. Suzi! You are...because I have suffered so much because of me, the wedding of you and Mr. Fu has been delayed for nearly 20 years.

It wasn't until I was eighteen that you really married Mr. Fu!

If I didn't do better in the test, how would I brag with my friends at the wedding? “

Suzi also laughed.

She hugged her daughter who was taller and more beautiful than her, looked more mature than her, and couldn't help squinting with emotion.

Time flies really fast.

## Chapter 2824

In a blink of an eye, the only one was eighteen years old.

Going to college.

Her husband, Mr. Arron, has grayed his temples, and he is almost fifty.

She and Shaoqin have been through ups and downs for almost 20 years.

so fast.

“Old man.” Suzi shouted.

Arron turned his head to look at Suzi: “What are you calling me?”

Suzi smiled: “It’s not mom, you will be fifty after the new year, and I’m only in my early forties. I’m not an old woman, but you are a real old man! I ask you. Your temples are gray, we Do you want to dye your hair on your wedding day?”

“No dye! I just want people to say that my old husband is marrying a young wife! I tell you, in the future, you will not dress me up!” Arron said, looking at his wife who looked ten years younger than him.

It’s unreasonable!

This old woman has never been old since she was young!

He is also forty years old when he is talking, why is he not old?

However, looking at his young wife, Arron became more and more happy.

He can’t wait for the day when he and his wife get married.

that day

sunny and sunny

clear sky

the weather is neither cold nor hot

There is no wind

On that day, two couples of newlyweds

In the biggest and best hotel in South City, hold a wedding for two people.

Those who came to attend the wedding gathered people from all walks of life in Nancheng and even the whole country.

There are not many relatives of Suzi, not many relatives of Arron, not many relatives of Galia, and not many relatives of Darius.

However, the relatives and friends of the four people together fully filled the large lawn of the Nancheng Hotel.

The two couples slowly walked into everyone's sight. Although they were not young people, they also had a different style.

Galia's parents couldn't close their lips together happily.

Their Galia is back.

In two years, after many repairs, Galia is already six or seven points similar to the previous ones, and the six or seven points of Yan's father and Yan's mother are enough to satisfy.

All the management and expenses of this grand wedding were paid by Suzi and Arron.

It is equivalent to Galia and Darius who just had a wedding.

Yan's father and Yan's mother also thanked Alyce: "Big sister, thank you."

Alyce looked at Yan's father and Yan's mother, then at his brother and sister-in-law, and said with a smile, "What's the matter, as long as the children are happy, it is the best."

Yes.

For Alyce, her children's lifelong happiness is her greatest wish.

Whether poor or noble.

No matter how many hardships you have endured, the hardships will always pass.

As long as the child can marry someone worthy of trust in the end, and live a happy life, it is the best.

Seeing the wedding host presiding over the wedding step by step, and seeing Arron kneeling in front of Suzi on one knee and putting on the wedding ring that had been stored for 18 years on Suzi's very solemnly, Alyce was excited. Tears.

"My only daughter, not only has both sons and daughters, but also has a considerate husband, and now she is finally married!" Alyce murmured.
