An understated Dominance – Dahlia and Dustin Chapter 1097

Chapter 1097: Dilemma

Just as Dustin was about to speak, he was interrupted by Lily's stern voice, "Enough! This is not the time for arguments. Saving a life is the top priority!"

"Yeah, yeah! Dustin, please save my dad!" Shiela quickly realized the situation.

Although Dr Tanaka had a great reputation, Shiela had more trust in Dustin.

"Wait!"

Dustin was about to step forward but was stopped by Garrett Murray. "This is a matter of life and death, and you can't act recklessly. Dr Tanaka must treat this illness!"

"I've said it before; he can't treat it and will only harm the patient," Dustin coldly replied.

"If Dr Tanaka can't treat it, you're even less qualified!" Garrett Murray retorted with a stern expression.

"I told you he couldn't treat it; he would only harm the patient." Dustin remained firm.

"If not even Dr Tanaka can treat it, you're even less likely to!" Garrett Murray argued.

"Wait a minute!"

Dustin had to stop and take a deep breath. He didn't want to make things worse.

"Mom, Dustin is very talented. Let him treat Dad; I believe he can do it!" Shiela suddenly spoke up.

"Shiela, this concerns your father's life. How can we entrust it to an unknown youngster? If there's an error, who will take responsibility?" Garrett Murray frowned.

“Yeah, Shiela, this doesn’t seem reliable. Dr Tanaka is more skilled.” Vivian also tried to persuade.

“Dr Tanaka is a divine physician with unparalleled expertise. He will surely cure the patient. If we let this boy handle it, it would be dangerous for Sir Murray!” Chase warned.

With everyone persuading her, Shiela began to feel unsure.

She was soft-hearted and, with so many people pressuring her, her belief wavered.

“This lady, you wouldn’t want any harm to come to your husband, would you?” Dr Tanaka said meaningfully.

“I...”

Lily hesitated. Finally, she turned to Dustin, looking apologetic. “Young man, I appreciate your efforts, but for the sake of safety, I still believe Dr Tanaka should be the one to treat my husband.”

“Madam, it’s not that I want to take credit, but Dr Tanaka won’t be able to cure him. Instead, he might worsen the situation. Please reconsider!” Dustin’s expression was serious.

Although he was irritated by Mr. Murray, he was willing to help because of Shiela and the old general.

“Young man, for the sake of your safety, it’s better to have Dr Tanaka treat him.” Lily nodded seriously. “Young man, please leave. Don’t interfere and cause any trouble for Dr Tanaka.”

This was essentially an eviction order.

“Hear that? Leave quickly and stop challenging Dr Tanaka! You, an unknown youngster, dare to challenge Dr Tanaka? You’re so ignorant!” Everyone showed disdain, treating Dustin with contempt.

“Let’s hope you don’t regret this,” Dustin said, not wanting to say more. He had said what needed to be said and tried to convince them, but he couldn’t force them to believe him.
