An understated Dominance – Dahlia and Dustin Chapter 1462

Chapter 1462

If I hadn't noticed it in time, I might have been a dead man by now.

I have helped you many times, but you, the Torby Family, have repaid kindness with hatred and betrayed my trust.

I really want to ask, who is despicable and shameless? Who is the heart of a wolf? ! “

The last few sentences were spoken with force and justice.

It caused many people around to whisper, and even Kevin's face became gloomy.

It's really embarrassing for something like this to be exposed in public.

If I had known that things would turn out like this, I shouldn't have let Dustin leave the Torby Family in the first place.

“You...you're talking nonsense!”

Isabela was a little angry: “Dustin! Don't think that I don't know. It's you who has a bad idea for me. After I sternly rejected you, you held a grudge and waited for an opportunity to retaliate. You are such a dirty person!”

“Unreasonable? Are you worthy?”

Dustin curled his lips disdainfully: “Look at your face, look at your figure, how is it comparable to Miss Hazel? Even a blind man would not fall in love with a savage, willful, ruthless femme fatale like you!”

Hearing this, Hazel Lancaster couldn't help laughing.

Too cruel!

For a proud woman, Dustin's words were undoubtedly murderous words.

“You, you, you... you are arrogant!”

Isabela immediately became angry: “You bastard, a humble untouchable, how dare you insult me? I will tear your mouth apart!”

“Come on! Give me a slap!”

Owen Stratford was furious and gave the order directly.

His fiancée was humiliated, and he also lost his face.

“You want to fight, right? I will accompany you to the end!”

Hazel Lancaster had been prepared for a long time and blew the whistle directly.

The next second, a large number of bodyguards holding electric batons swarmed out of the company, dozens of them.

These bodyguards were tall and powerful, obviously carefully selected elites, and they surrounded the Torby Family as soon as they appeared.

Everyone stared at each other.

“What are you doing? Don’t you all want your life? How dare you attack us?!” Owen Stratford angrily yelled.

“If you come to congratulate me, I will naturally welcome you. If you make trouble here, don’t blame me for turning against you!” Hazel Lancaster said coldly.

In order to prevent accidents, she specially invited many warriors to control the scene.

If we really want to fight, it will hurt both sides at worst.

“you—!”

Isabela was about to say something, but Kevin raised his hand to stop her, and said indifferently, “Patriarch Lancaster, your daughter is really daring to act against our Torby and Stratford families. Have you considered the consequences?”

“Chief Royal, our people are just maintaining order. As long as you don’t make trouble, they will naturally not mess around.” Waylon Lancaster said calmly.

“Waylon Lancaster, I’ll give you another chance. Do you really want to go against our two wealthy families for a nobody?” Kevin said with narrowed eyes.

“Dustin is an ally of our Lancaster Family, and his matter is naturally our Lancaster Family’s matter.” Waylon Lancaster’s expression did not change.

The arrow was on the string and had to be fired. From the moment the decision was made, the Lancaster Family had no way out.

“Okay! There are seeds!”

Kevin snorted coldly: “I want to see today how capable your Lancaster Family is!”

As soon as he finished speaking, a hearse carrying a coffin suddenly roared over and stopped directly at the gate of the Lancaster Family company.
