

An Understated Dominance By Marina Vittori

Chapter 1842

"Who is this person? He was able to force Nangong Po back. Isn't that amazing?" "It's

unbelievable that he has such strong strength at such a young age. If he can be recruited under his command, he must be one of them. Tiger general!"

"Don't worry, Nangong Po hasn't shown his true strength yet, so it's still unclear who will win."

Seeing the fierce battle between Dustin and Nangong Po, everyone couldn't help but talk.

The top players in West Lucozia basically knew everything about them, but this young man who suddenly appeared seemed very mysterious.

No one recognized him, it was as if he appeared out of thin air.

This made them a little curious.

After all, top warriors like this are too rare.

The power of one person is enough to shake thousands of troops!

"Thorian, where did you find this young master? Why haven't I seen him before?"

Princess Elara looked a little confused as she supported her son.

"Mom, the time has not come yet, I can't tell you yet." Thorian Rhys shook his head.

The eldest brother has been hiding his identity, and he was forced to help today.

Judging from the current situation, if the eldest brother's identity is exposed, he will undoubtedly become a thorn in Dustin Kate's side.

"You can't even tell me?" Princess Elara became even more curious.

"Mom, I'm sorry, I have to keep my promise." Thorian Rhys shook his head again.

"It doesn't matter if you don't say it. I just want to ask you, is this person reliable?" Princess Elara said tentatively.

"Very reliable!" Thorian Rhys replied without hesitation.

"Very good!"

Princess Elara nodded: "This person is very powerful, slightly better than Nangong Po. If things go wrong for a while, you can let him lead you out of the city!"

"Mom..."

Thorian Rhys was about to speak, but was interrupted by Princess Elara: "Listen to me this time! Dustin Kate will never let you go, so you must save your life. As long as you leave West Lucozia and go to Stonia, you will have many opportunities to make a comeback in the future. "

Since the negotiations failed, we can only find another way out.

With the help of this mysterious master, coupled with the Dragon Guards and the eight hundred dead soldiers, there is at least a half chance of successfully breaking through.

"Mom! I'm leaving, what will you do?" Thorian Rhys frowned.

"Don't worry, I have the protection of the eldest princess. Dustin Kate doesn't dare to do anything to me." Princess Elara forced a smile.

As long as her son is safe and sound, she doesn't care about her own life or death.

"Mom, we're not at the point of desperation yet. Maybe things can turn around." Thorian Rhys comforted her.

He has full trust in his elder brother.

He always felt that his eldest brother had some tricks up his sleeve that could turn things around at the critical moment.

"A turning point? I hope so."

Princess Elara sighed lightly, but she didn't have any expectations in her heart.

As the saying goes, it is difficult for two fists to beat four hands. No matter how strong the young master is, he cannot sweep the entire field.

Besides, there are still 500,000 black dragon troops outside. This is an existence that can never be competed by individual bravery.

At this moment, in the center of the battlefield.

Dustin's sword continued to thrust forward without any stagnation.

Nangong Po, on the other hand, blocked and retreated.

Unconsciously, his forehead was covered with sweat.

"How can this kid be so strong? This sense of oppression is almost as strong as that of Sword Immortal Bai Ye!"

Nangong Po looked solemn, his brows furrowed, and he continued to wave his spear, trying to block Dustin's offensive.

But no matter how he transformed his marksmanship, the opponent always had only one sword.

It was such a simple sword, but it forced him to retreat continuously, without the ability to fight back at all.

He had only felt this powerful sense of oppression from Sword Immortal Bai Ya.

And, that was many years ago.

Once upon a time, He was so arrogant that he challenged the swordsman Bai Ya just because he had just broken through the master level.

As a result, Sword Immortal Bai Ya easily defeated him with just one sword strike.
