

An Understated Dominance By Marina Vittori

Chapter 1865

Immediately afterwards, a group of men in black walked in quietly.

The leader was a middle-aged man wearing a black robe and a bamboo hat.

The middle-aged man's hat was held low, his head hung down, and his specific appearance could not be clearly seen.

Just from the appearance, his figure is very thin.

After entering the door, the middle-aged man wearing a bamboo hat went straight to Dustin Kate and finally sat down opposite him.

The group of people behind him began to secretly guard against abnormalities around them.

"Who are you?"

Dustin Kate looked at the middle-aged man in front of him, looking a little confused.

He had seen Ji Yuanzun, who was tall and burly, obviously not so thin.

"General Dustin, long time no see."

The middle-aged man took off the bamboo hat on his head, revealing his true appearance.

Dustin Kate took a closer look and couldn't help but be surprised: "Are you Lorenzo?!"

"General Dustin has good eyesight. I haven't seen him in ten years. I didn't expect you to recognize me." Lorenzo smiled slightly.

Compared to the strong man he was ten years ago, he is completely different now.

"Wait! Aren't you already dead? Why are you still alive?" Dustin Kate blurted out.

During the Forbidden City Incident, almost all the people accompanying the palace, except Dustin and Jiu Kuang, died.

Lorenzo is one of them.

Unexpectedly, after ten years, the other party is still alive and well.

"I was lucky. I was saved by someone, and I was lucky enough to save my life." Lorenzo explained.

"So, like Song Zun, you are also from Dragon Protection Pavilion?" Dustin Kate quickly reacted.

"Yes, we are all secret agents of the Dragon Protection Pavilion. We have been lurking in West Lucozia for many years. Now, we have finally returned to our true identities." Lorenzo forced a smile.

"I didn't expect you to hide so deeply and deceive all of us." Dustin Kate narrowed his eyes.

It is really scary to hide one's name for ten years and deceive everyone in the world.

"General Dustin, let's not bring up the past. Let's talk about business now."

Lorenzo changed the subject and asked, "What advice do you have for this meeting with the Pavilion Master?"

"Speaking of this, I'm a little curious, why is it you and not Ji Yuanzun?" Dustin Kate asked tentatively.

"To be honest, the master of the pavilion is a little busy and can't come for the time being, so he asked me to come to see General Lu. If you need anything, General Dustin just tell me and I will do my best to assist you." Lorenzo said with a smile.

"General Lorenzo, it's not that I look down on you, it's just that this matter is very important and I have to interview Ji Yuanzun." Dustin Kate said with a serious face.

He has everything ready now, just waiting for Ji Yuanzun to show up.

In the end, this guy was lucky. He hid in the dark and sent a scapegoat to meet him. He was really an insidious and cunning old fox.

Sure enough, it is not an easy thing to gain the trust of such people.

"General Dustin, the master of the pavilion really can't escape, please forgive me." Lorenzo shook his head.

"Since Ji Yuanzun is not sincere, let's forget it. The covenant between us will be immediately voided. We will not have any contact with each other in the future." After

Dustin Kate finished speaking, he stood up and left with a decisive attitude.

In a situation like this, you must retreat to advance, otherwise you will lose all initiative if you are led by the Dragon Guard Pavilion.
