

An Understated Dominance by Marina Chapter 1982

An Understated Dominance by Marina Chapter 1982

Chapter 1982

“...”

Leo Alexander was stunned.

Looking at the dense school of strange fish, the anger in my heart disappeared without knowing when.

It was replaced by horror.

He never dreamed that there would be so many man-eating monsters hiding in this peaceful lake.

If he had known this was the case, he would never have let his team members take the risk.

“Sure enough, there is danger everywhere!” Lily Zhang pretended to sigh.

In fact, she had known that there was a strange fish at the bottom of the lake.

Last night, she saw two mutated giant wolves being torn apart and eaten by these strange fish.

The reason why she didn't remind him just now was just to fight for better interests.

After all, the more people die, the fewer people will eventually share the treasure with her.

“With so many strange fish, it's impossible to get into the water. Let's wait until the tide goes out at night.”

Margaret didn't say much, and immediately commanded his escort to set up camp nearby.

Dustin has already sensed it, maybe the dragon source energy is hidden at the bottom of the lake. At this time, she will naturally not leave.

“I’m going to take a nap, call me when the time comes.”

Billy Ruso yawned, then jumped up to the trunk of a big tree, and began to fall asleep by himself.

With his level of cultivation, it was not impossible to risk going into the lake, but it was not necessary.

On the shore, he can exert 100% of his strength, but in the water, his hands are tied and it is difficult to use it. If he encounters any powerful water monster again, wouldn’t it be like shooting himself in the foot?

“Lily Zhang, your injury hasn’t recovered yet, let’s go over there and rest for a while.”

Kevin Snow greeted, and then took Lily Zhang to find a clean piece of grass to sit down on.

Before Lily Zhang sat down, Kevin Snow took off his jacket and placed it under Lily Zhang, acting like a warm man.

Lily Zhang responded with a smile, neither salty nor light, but occasionally glanced at Dustin.

Compared to Kevin Snow, she was more curious about Dustin’s identity.

After all, with her beauty, she is highly sought after wherever she goes.

Any man, whether he is a young talent or a dignitary, as long as he sees her, he will inevitably look at her a few times, and finally become addicted to her and cannot extricate himself.

But Dustin was an exception.

Since they met, the other party has never looked at her again, as if she didn’t exist.

This made her, who had always been arrogant, feel a little unhappy, but at the same time she was also a little more curious.

Does this guy look down on himself? Still not close to women?

I have to find an opportunity to test it out.

“Captain, Bull is dead, and more than half of our remaining team members have been lost. What should we do now?” The short-haired woman from the Black Scorpion team frowned, and her face became extremely solemn.

Their Black Scorpion team has a total of more than ten people. However, since entering this strange oasis, their team members have continued to suffer losses.

Now, including her, there are only five people left in the entire Black Scorpion team.

It’s really hard to accept that most of the teammates have been lost before the treasure is obtained.

“Next, keep a low profile and never be in the limelight again!” Leo Alexander said solemnly.

Chapter 1987

After experiencing several dangerous situations, he has figured it out.

This place is full of dangers, and one mistake can lead to loss of one’s life.

Compared with seizing the treasure, the most important thing now is to save one’s life.

Save your life and then think about the baby.

Otherwise, even if you get the treasure by luck, you won’t be able to get out of this strange oasis.

Time passed little by little, and it was already dusk in a blink of an eye.

At this time, a rustling sound suddenly came from the trees by the lake.

“Who?!”

Kevin Snow, who was the closest, was the first to notice the abnormality and immediately pulled out the knife from his waist.

When the others saw it, they became vigilant.

“It’s us!”

accompanied by a loud voice.

Two forces, one on the left and one on the right, slowly walked out from the weeds.

There are about a dozen people from the forces on the left, all wearing green clothes, carrying swords, and having impressive weapons.

The first person was a man with a hooked nose, and next to him was a girl with a ponytail.

The person who came was none other than a disciple of Flying Sect!

There are more than twenty people in the force on the right, all wearing yellow clothes and holding swords in their hands.

Judging from the momentum, it is even better than the disciples of Flying Sect.

The person who came was suddenly a disciple of Youlong Sect!

“Thomas Grey? Marcus Ring ?”

After seeing the two leaders, Kevin Snow couldn’t help but frown slightly.

It’s not that enemies don’t get together, he didn’t expect to meet people from the Wandering Dragon Sect and Flying Sect here.

And judging from the situation, the two major factions seem to have joined forces.

It’s really a bit troublesome.

“Kevin Snow, didn’t you expect that? We meet again.” Thomas Grey smiled half-heartedly, holding the sword across his arms with a joking expression.

“What are you doing here?” Kevin Snow said with a cold face.

“Of course I’m treasure hunting.”

Thomas Grey said with a meaningful smile: “I heard that there are many treasures hidden under this lake, so I came here with Marcus to try my luck.”

Hmph! That’s nonsense! There’s nothing here. Baby?” Kevin Snow rejected it.

“If there is no baby, then why are you staying here?” Thomas Grey asked.

“We are tired from the journey, why don’t we take a rest here?” Kevin Snow said angrily.

“Kevin Snow, Kevin Snow, you are still the same as before, you don’t know how to lie at all.”

Thomas Grey shook his head and sneered: “To be honest, I have been eyeing you for a long time, and I have been sending people to follow you secretly. I saw everything when he moved. Do you really think you can deceive me? Stop being ridiculous!”

From the moment he walked out of the desert village, he sent a master who was good at tracking to follow Margaret’s team.

Because he knew very well that the other party held the most detailed information.

As long as you follow Margaret’s team, you will find the treasure sooner or later.

Sure enough, after following for so many days, I finally had something to gain.

“You are so despicable!”

Kevin Snow gritted his teeth and almost couldn’t help but draw the knife.

They risked their lives to hunt for treasure, but they didn’t expect to be shot.
