

An Understated Dominance by Marina Vittori Chapter 2027

Chapter 2027

“Huh?”

The sudden change shocked everyone again.

Everything happened so fast that no one could react at all.

From the moment Dustin made his move to the moment Kong Pei was seriously injured and defeated, it only took a blink of an eye.

For most warriors, with just a flash of light and a flash of light, the majestic leader of the Feixue Sect was beaten and hung on the wall.

The whole process was too sudden.

“How...how is it possible?!”

Looking at the half-dead Kong Pei, Thomas Grey was dumbfounded, eyes wide open, looking in disbelief.

He never dreamed that his master would be defeated, and that he would be defeated so miserably.

You must know that his master is one of the five powerful men in the southwest and a martial arts master with profound strength.

Looking at the entire southwest, except for Yan Kang, the leader of Youlong Sect, no one can make a difference.

In his opinion, his master should win this duel today.

However, the result was a big disappointment. Not only did the master not win, but he was defeated by Dustin with one move.

The contrast between before and after is really unacceptable.

“I...did I read that correctly? The leader of the Feixue Sect was actually defeated? And he was also defeated by an unknown boy?”

“What’s going on? What happened just now?”

“One palm! That kid defeated Master Kong with just one palm. Unbelievable... It’s unbelievable!”

“Damn it! Where does this guy come from? Is he so powerful?!”

“...”

After a brief silence, the entire scene exploded in an instant.

“Whether it was the Youlong Sect, Feixue Sect, or Kevin Snow’s group, they were all shocked beyond measure by Dustin’s power.

They can understand the defeat of Elder Tian and Elder Song. After all, Dustin is a martial arts master and has great advantages in realm.

But now it’s Kong Pei, and the situation is completely different.

It has been more than ten years since Kong Pei broke through to become a master. He has a rich foundation and a variety of methods.

” Such a top powerhouse was defeated by Dustin with one move. This kind of shock and consternation cannot be described in words.

Besides being awesome, it’s still awesome.

“How could this happen? How could this guy be so strong?”

Yan Forbidden was a little panicked, his whole body was sweating profusely, his chest seemed to be pressed by a stone, and his breathing became rapid.

Even his father Yan Kang could not defeat Kong Pei with one move.

Although Kong Pei somewhat underestimated the enemy, he was still a powerful martial arts master. Dustin could easily defeat him, which is enough to prove his terrifying strength.

He now doubts that dahlia is even stronger than his father.

How could this not surprise him? How not to be afraid?

The most important thing is that the other party is only in his twenties!

At such an age, he has a level of cultivation that reaches the heavens and the earth, which can no longer be described by humans.

This is a total monster!

“This guy is really hiding his secrets!”

After being shocked, Yan Kang couldn't help but frown, and his face became extremely solemn.

With his eyesight, he could naturally see how strong Dustin's cultivation was.

Kong Pei's body-protecting Qi shattered just now, and he has no defense capability at all. This can be judged from this point.

In terms of realm cultivation, Dustin is far better than Kong Pei.

A conservative estimate is that Dustin is at least a late-stage grandmaster, or even a grandmaster in the Great Perfection!

The grandmaster Dzogchen, who is in his twenties, is second to none in the entire world, let alone in the southwest.

Why does such a monster appear here? And he happened to be caught by himself.

What should we do now?

“Oh my god! Is this Brother Dustin’s true strength? It’s really terrifying!” Kevin Snow swallowed, shocked and even more admired.

He knew Dustin was very strong, but he didn’t expect him to be so strong. He defeated Kong Pei, the leader of Feixue Sect, with just one palm.
