

An Understated Dominance by Marina Vittori Chapter 2048

An Understated Dominance by Marina Vittori Chapter 2048

“You think I don’t dare?”

Caroline Thorne said with a gloomy face: “Master Reid! This guy is just showing off. Don’t be scared by him. If you help me again, we will definitely win!” “

...”

Reid Gang’s eyes twitched. He was so angry that I almost couldn’t help but curse her mother.

I’ve already been seriously injured and vomiting blood. Why the hell do you still want me to push you up? Are you really treating me like a villain?

Besides, looking at that kid’s lively appearance, how can he look like he’s running out of gas?

If another shocking sword attack breaks out, will I have to burp on the spot?

“Head Reid! You, the head of the Golden Sword Sect, are so powerful that you are afraid of this kid, are you?”

Seeing that Reid Gang didn’t respond, Caroline Thorne couldn’t help but resort to provocation.

If someone could take the lead for her, she would naturally not risk her own life.

“Master Caroline, I’ve been seriously injured. I’m afraid I won’t be able to fight anymore, so I can only fight for you from the side.”

Reid Gang coughed a few times, pretending to be weak and said: “Since you are sure that this boy is at the end of his battle, your Twisted Sisters Sect is strong enough to take him down, so I won’t do anything more.”

Damn it! If I want to fuck you, don’t use me as a scapegoat!

“Master Reid, don’t you believe what I say?” Caroline Thorne frowned.

“It’s not that I don’t believe it, it’s that I’m helpless.” Reid Gang covered his chest and started coughing violently again.

Obviously he doesn’t want to take any more risks.

“Okay! Since Master Reid refuses to take action, then we will come in person!”

Although Caroline Thorne was dissatisfied, she could not get angry. She could only order to the two Twisted Sisters Sect masters beside her: “You two come together, Attack from the front, I’ll wait for the opportunity from behind!”

“Ah?”

Hearing this, the two Twisted Sisters Sect masters’ expressions froze and they were a little panicked.

Even Reid Gang, the head of the Golden Knife Sect, was seriously injured by Dustin’s sword, let alone them?

If Dustin was really not poisoned, wouldn’t they be asking for death if they stepped forward now?
