An Understated Dominance by Marina Vittori Chapter 2093

“I want to see, why does this guy win?!”

Liu Hongxue looked dissatisfied.

Even a genius like Chen Xingwen was defeated, so she didn't believe that a claptrap clown could make big waves.

She will definitely win the sword on the list of famous weapons!

“Who is coming? Tell me your name!”

Seeing Dustin step forward, the suit butler couldn't help but question.

He thought Dong Qianqiu was going to take action himself, but unexpectedly a young man showed up.

If he is an unknown person, even if his young master wins, his reputation will not increase much.

“Dustin, I'm here to learn the clever tricks of your Golden Crow Kingdom.” Dustin said calmly.

“You are no match for my young master. It's Dong Qianqiu who comes here to challenge me.” The butler in a suit looked arrogant.

These small characters in the Dragon Kingdom are simply vulnerable, and any further fight will only be a waste of time.

Only by defeating an influential figure like Dong Qianqiu can he frighten the Dragon Kingdom and become famous all over the world.

“For people like you, there's no need for Mr. Dong to step in. I'll be enough to deal with you.” Dustin feng said calmly.

“Arrogant!”

The suit butler's face darkened: "Do you know who my young master is? How dare you talk so shamelessly here!"

"Judging from your accent, you should be from the Dragon Kingdom, right?"

Dustin said calmly: "You have a young master on your left, a young master on your right, a dignified man of seven feet, and you are willing to be a dog for a little devil. I really don't know where you got the face to bark like a dog!"

"Presumptuous! Who do you think you are? How dare you despise me here?"

The butler in a suit angrily yelled: "To tell you the truth, I used to be a lowly Dragon Countryer, but now I have changed my nationality and been promoted to a noble Golden Crow Countryer! There is a world of difference between me and you guys! "

"A dog is a dog, no matter how hard it is, it is still a dog. If you treat a good person like a dog, you have to be a dog. It's really a shame." Dustin sneered mercilessly.

"You, you, you...you are so deceptive!"

The butler in a suit was furious, pointed at Dustin and roared: "You lowly dragon countryman, don't you want to challenge my young master? Okay! I will give you a chance today to make you convinced that you have lost!"

After saying the harsh words, the butler in a suit immediately approached Yayoi Kusama and began to fan the flames: "Young Master! This man from the Dragon Kingdom is so bold that he dares to look down on you. Please teach him a lesson and let him know the power of the warriors of the Golden Crow Kingdom. sharp!"

"Funny guy, I hope he can block my knife." Yayoi Kusama grinned.

The first opponent I met before was too weak and couldn't even stop him with a single blow.

The second opponent's strength was good, which he admired quite a lot, but he was still a little short of a level and couldn't fight with all his strength.

Until now, he has only just warmed up.

I hope the third opponent can give him some surprises, otherwise it will be too boring.

“Boy! The final battle in the ring is a matter of life and death. If you dare to challenge my young master, you must be prepared to die without a body!” the butler in a suit said sternly.

“If you want to take action, hurry up and stop talking nonsense.”

Dustin stretched out one hand and waved back, with a hint of provocation.

“Dragon people, show your weapons!”

Yayoi Kusama slowly raised her famous sword Onimaru.

“No need, I can’t use weapons to deal with you.” Dustin said calmly.

As soon as these words came out, the whole place was in an uproar.

“Holy shit! Is this kid too crazy? He dares to fight Yayoi Kusama with his bare hands?”
