An Understated Dominance by Marina Vittori Chapter 2103

“Sister...is that little devil lying on the ground rolling and screaming?”

Liu Hongxue stared blankly at the incredible scene ahead with her beautiful eyes wide open.

At this moment, Dustin was still beating Yayoi Kusama.

The performance of the two people was both funny and absurd.

“Sh-should be.”

Liu Rushuang looked at it carefully for a while before nodding to confirm.

She never thought that rhy would win, and that he would win so outrageously.

It is really unbelievable that the great disciple of the ancient Seijuro, a talented master who is proficient in the flying sword style, was beaten like a dog.

“Damn! What a ghost! How could he be so powerful?!” Xu Yang swallowed, with a look of horror on his face.

People who have never really fought have no idea how powerful Yayoi Kusama is.

Even if he tried his best, he was still defeated by the opponent with one move.

Not only him, but Chen Xingwen, the Little Spear Immortal, is also far inferior to Yayoi Kusama.

To deal with the two of them, Yayoi Kusama didn't use her full strength at all.

On the contrary, when facing Dustin, he used all kinds of killing moves, even using the strongest secret of Feitian Yujian style.

However, even so, Kusama still failed.

Although it's hard to believe, I have to admit that Dustin's strength is much stronger than everyone expected.

"Brother Dustin is so unfathomable! He actually defeated Yayoi Kusama, who has the famous sword Onimaru, with just a branch. It's really amazing!" Yan Buqi clicked his tongue in amazement.

Even though he had been mentally prepared, Dustin's performance was still amazing.

Today's battle not only rectified the name of the warriors of the Dragon Kingdom, but also greatly dampened the spirit of the Golden Crow Kingdom.

"Good, good... good fight!"

After the brief shock, Dong Qianqiu couldn't help but laugh out loud.

He really didn't expect the situation in front of him.

When Yayoi Kusama used the Nine-Headed Dragon Flash, he thought Dustin was dying.

In the blink of an eye, the situation was reversed.

Dustin not only blocked the secret nine-headed dragon flash, but also took advantage of Yayoi Kusama's weakness to beat her up in an extremely humiliating way.

The little devil lost all his prestige after beating him and started wailing endlessly.

In the third challenge, the Dragon Kingdom warriors were finally proud and proud!

"How could this happen? How could this happen?!"

Looking at Yayoi Kusama wailing on the ground, the butler in a suit kept shaking his head, completely unable to accept this result.

My young master is a noble Golden Crow countryman and a direct disciple of the strongest swordsman Gu Seijuro. How could he be defeated by a lowly Dragon Kingdom warrior?

“Don’t, don’t fight... don’t fight! I give up... I give up!”

Yayoi Kusama curled up and held her head in her hands. Finally she couldn’t stand the pain and torture anymore and began to admit defeat and beg for mercy.

“Snapped!”

Dustin exerted his strength and added another blood stain on Yayoi Kusama’s body.

The branch in his hand finally became overwhelmed and broke.

“Wouldn’t it be fine if I had just given up earlier? I would have been beaten for nothing.”

Dustin threw the broken branch to the ground and finally stopped his torture.

Yayoi Kusama was twitching in pain, her body was covered in bloodstains, and there was no intact place.

The blood dripping, the skin was torn, and the appearance was beyond recognition, which made people’s scalp numb.

The original appearance is simply unrecognizable.

“Little Lord!”
