An Understated Dominance by Marina Vittori Chapter 2165

At this time, a fat man suddenly ran over in a hurry.

This person is Yan Jin, the leader of the five evil ghosts in the Yama Palace.

But compared to yesterday's majestic appearance, Yan Jin at this moment was covered in scars, disheveled, and looked very embarrassed.

"Yan Jin? How did you do this?"

Yan Buqi looked up and down, his eyebrows slightly wrinkled, and he felt an inexplicable foreboding feeling in his heart.

"Uuuuuuuuah...Senior brother, you must avenge us! All four of my brothers and sisters were killed!"

As soon as they met, Yan Jin fell to his knees with a "thud" and started howling like a ghost.

That look was really heartbreaking.

"Killed?"

Yan Buqi's brows were furrowed and his face was solemn: "What happened? How could these four good people be killed? Could it be that they offended some master?"

The five evil ghosts of Yama Palace are famous in the world, and all of them are considered to have unique skills.

Especially after five people practice, even ordinary martial arts masters have to avoid his edge.

Now four of the five people have been killed, and the remaining Yan Jin is also covered in bruises, which is enough to prove that the murderer is not an ordinary person.

“Senior brother! Since the five of us entered the jurisdiction of Longhu Mountain, we have always followed your instructions, stayed safe, and never caused trouble. I don’t know why we met with this disaster!”

Yan Jin was crying and looked very aggrieved.

Although they are domineering, they also know that Longhu Mountain is not a place where they can run wild, so they always restrain their behavior.

Unexpectedly, while drinking last night, he was suddenly assassinated by a swordsman, resulting in the death of all four of his brothers and sisters.

If he hadn’t been smart enough to use the Turtle Breathing Skill in time to pretend to be dead, he probably wouldn’t have been able to escape.

“Who is the person who killed you? What’s his background?” Yan Buqi asked in a deep voice.

Although the Five Evil Ghosts have a bad reputation, they are disciples of Yama Hall after all. As the young master of Yama Hall, he naturally cannot stand idly by.

“I don’t know who it is. The man was dressed in black and masked, holding a three-foot long sword. After meeting, he didn’t say anything nonsense and started killing people directly.”

Having said this, Yan Jin couldn’t help but shudder, and said with fear on his face: “His sword is very fast. I have never seen such a fast sword. In just a blink of an eye, my four brothers and sisters were separated.” It’s dead. If I hadn’t lied on the ground and pretended to be dead, I probably wouldn’t be alive now.”

“Black clad and masked? Killing with a quick sword?”

Seemingly thinking of something, Yan Buqi suddenly looked at Dustin and asked, “Brother Dustin, do you think this scene is familiar?”

“You mean...the person who killed the disciples of Yama Luodian is the same person who killed the frenzy?” Dustin quickly reacted.

“Although I’m not sure, it’s very likely!” Yan Buqi nodded heavily.

The murderer also used a sword, was also unknown, and was equally powerful. In addition, all the victims were killed on a rainy night last night.

All kinds of coincidences are connected together, making people have to suspect that the murderer is the same person.

“That being said, things are a bit serious.”

Dustin squinted his eyes and said thoughtfully: “If he is seeking revenge, it would be understandable, but if he has other agendas, I’m afraid that person will continue to commit crimes.”

After experiencing Yayoi Kusama’s performance in the ring yesterday, he had a hunch that this matter was not simple.

“The Longhu Mountain Martial Arts Tournament is about to happen, and this kind of murder suddenly occurs, and all the dead are powerful masters. I can already smell the atmosphere of conspiracy.”

Yan Buqi said with a serious face: “Yan Jin, immediately gather the troops and conduct a careful investigation to find out who the murderer is? As soon as there is news, report back immediately!”

“yes!”

Yan Jin responded and left quickly.

Another new storm began to brew secretly.
