

Mistaking the CEO for a Gigolo

Chapter 21

“Kyle, you know very well that this is no easy job. Besides, I can’t let Mr. Seet know and can only do it in secret, so the progress is slower.” John cooked up some excuses.

Kyle had expected him to say so. “Come to The Passion now. You must be here within twenty minutes.”

“What? I’m at work, Kyle, if Mr. Seet finds out—”

“Or bear the consequences!”

With that, Kyle directly hung up without waiting for him to finish his sentence.

John placed his palm over his forehead helplessly. Gosh! Why do I have to deal with both “Lucifer” and his son? Why is my life so difficult?

Considering that Kyle was as cruel as Mr. Seet and had always done what he said, he didn’t dare to waste any more time and rushed to The Passion on time.

After that, Kyle got out of the car by himself and told Nicole not to show her face as he didn’t want John to find out about her.

“Can I help you, Kyle?”

“Go and get a CCTV footage for me!”

“What footage specifically?”

“I heard that my dad once looked for a woman with one million as a reward. That woman once threw money at him in this bar. I want the footage of that woman.”

John’s heart skipped a beat. Does Kyle actually know about this?

He must have seen it from the computer.

In order to let Kyle know the history of Seet Group, Evan had specifically let Kyle go through all his interviews. Thus, Kyle did not miss out on a single interview, and he must have learned about it because of this.

“Why do you want to find that woman, Kyle?”

She was the only woman his father had ever looked for, so she must have an unusual relationship with his father. Moreover, there were no other clues, so he could only start from her.

“Just do as I say!”

Oh, I can’t even ask?

John had no choice but to obey. “Please wait for a while.”

As he walked into the bar, he thought, It’s true that this woman is his mother, but Mr. Seet doesn’t want him to know about this. How can I get around it?

But John did not return even after a long time, and Kyle got a little impatient.

Just when he turned around to make a call, a voice was suddenly heard coming from above him, asking, “Why are you here, Kyle?”

Sofie Sweeting again? Ah, the woman who keeps pestering dad. She is so annoying!

Hearing her voice, Kyle deliberately turned around and walked straight ahead while completely ignoring her.

“Hey, I’m talking to you, Kyle!” shouted Sofie.

But Kyle kept going.

“What a rude kid!”

Sofie frowned as she looked at him leaving and thought to herself. Why is he here alone?

Nah, Evan won’t let Kyle come out alone, which means Evan must be here too.

In the past few days, she had been trying to find a chance to see Evan, so this came as a good chance for her.

With this in mind, she immediately went after Kyle.

Why is this rascal gone in a blink of an eye?

Looking at the rows of cars, Sofie grew anxious.

I must not miss such a good opportunity to meet Evan!

After being stunned for a while, she immediately took out her phone and called Evan.

Evan, who was working, glanced at the caller ID and answered impatiently, “What is it?”

“Evan, I saw Kyle just now, but he disappeared in a blink of an eye. I’m a little worried. Is he with you?”

She saw Kyle?

Evan was surprised.

“Where did you see him?”

“At the parking lot of The Passion.”

The mention of the location surprised Evan even more. Why would Kyle go to that place?

“You’re seeing things!”

What a weirdo!

Evan could not be bothered by her and hung up the phone directly. Lowering his head, he continued to bury himself in his work. After a while, he suddenly froze as he thought of something.

Kyle wouldn’t go to a bar, but he’s with Nicole. That weird woman will do anything.

What if she’s the one bringing Kyle to the bar...

Thinking of this, Evan immediately called Blake.

“Is Kyle home?”
