

## Chapter 1372

Sean Ford's infuriated voice sounded from the other end of the phone. “

Sebastian! It's getting harder and harder to contact you! Yesterday, I was trying to call you the entire afternoon!”

Sebastian merely repeated his previous question. “Dad! What is it!”

“I went to your office yesterday afternoon. I wanted to talk to you but I couldn't even enter the building!”

“What do you want?”

“Have you forgotten what day it is today?” Sean asked.

Sebastian: “...” He had no idea what day it was today; he only knew today was the day his wife turned against him. She had lived with him for more than a year, and she never exploded the way she did last night. If today was a special day, he would coin it as ‘The Day His Wife Went Crazy’.

At Sebastian's continued silence, his father continued, “Last week at your office, you and Sabrina both agreed to

attend the banquet at the old residence

attend the banquet at the old residence today!

Sebastian: "... " Now he remembered. There was indeed such an incident. Last week, the day Lori Gibson barged into his office and was later humiliated. But more importantly, it was also the day Sabrina cut his necktie in front of all his staff members and subordinates.

Sabrina personally agreed to attend the banquet. She would bring Aino and follow him back to the old residence. It seemed like the purpose of this banquet was because his father wanted to welcome Lori Gibson and her mother.

On the other end, Sean opened his mouth again and said, "Sebastian! Don't think you can avoid my question with your prolonged silence. Today is the day of the banquet, so by right, I should not have paid you a visit yesterday. But!" Sean paused, he sounded incredibly furious. "But Sebastian! Since I made the trip to your office to see you, there must be an important issue, something that cannot be tolerated! Since you weren't there when I went to see you yesterday, then don't

I went to see you yesterday, then don't blame me for exposing all of Sabrina's dirty secrets at the banquet tonight!"

Sebastian scoffed. "Oh, really?"

"Do you know what Sabrina did?"

Sebastian turned and looked at Sabrina. Of course, he knew. His wife had argued and fought with him the entire night last night. Never before had he seen her so angry, had she exploded at him with such ferocity. At the thought of her getting angry and cursing him out vehemently, both fury and laughter bubbled in his chest at the same time. He wished he could slap her on the buttocks impulsively and scold her. "On this world, you, Sabrina Scott, you're the only person who dares to call me a jerk and ask me to leave! You even dared say that I was dirty, that I disgusted you. Any other woman would be dead! Alright!"

Suddenly, he felt a gush of warmth in his chest and he felt delighted. The corners of his lips rose uncontrollably, a bright smile appearing on his lips.

Sebastian furrowed his brows. "Sebastian! Sebastian!

Sean was furious. "Sebastian! Sebastian! I'm talking to you! Have your ears been stuffed with cotton? Are you even listening to me!"

Sebastian immediately answered. "Yes, I'm listening."

"Bring Sabrina and Aino, and come back to the old residence!" Sean's tone was strict and firm, as if he knew he was right.

Sebastian answered, "Alright, after I settle things here. The three of us will be there."

On the other end, Sean softened his tone. "Sebastian, prepare yourself."

Sebastian asked, "What's wrong?"

"I told you several times: Sabrina is an indecent woman; she's indecent! But you never listened! You're almost perfect, but when it comes to Sabrina, it's like your eyes have been smeared with dung!"

Sebastian's tone instantly turned cold. "If you have nothing more to say, I'm hanging up!" With that, before Sean could say anything else, Sebastian ended

never listened! You're always right when it comes to Sabrina, it's like your eyes have been smeared with dung!"

Sebastian's tone instantly turned cold. "If you have nothing more to say, I'm hanging up!" With that, before Sean could say anything else, Sebastian ended the call.

On the other end, Sean stomped his foot in anger. "He drives me crazy! That boy really drives me up the wall!"
