

Chapter 1831

The woman turned around and glared at Sabrina. "Are you the one who was trying to kill my brother with a dagger?"

Sabrina was speechless.

"Woman, you have a death wish!" That woman with a limp raised her hand to violently beat up Sabrina. The speed of her hand was very quick and there was a gust of wind when she struck her punch.

Holden shouted. "Sabrina, be careful! The woman is a monster!"

However, that woman's fist was grabbed by Malvolio before it landed on Sabrina's face. "

Isadora Yeatman! I forbid you to be so rude to your sister-in-law."

Sister-in-law? The girl who was called Isadora looked at Sabrina.

Sabrina gritted her teeth. "Malvolio Yeatman, just kill me! Kill me! You devil!"

Sabrina punched and kicked, but her leg was caught by Malvolio. "Sabrina, stop it. You shouldn't make such big movements now. You'll hurt your child. Sebastian had not seen this child before, so the child is mine! No matter if the child is a boy or a girl, I will treat the child like my own."

"F*ck you and your ancestors!"

"My ancestors are already dead. I only have a widowed mother.

She took down with her hands. I

"My ancestors are already dead. I only have a widowed mother. She took me with her when I was a child to do the dishes and laundry for an eminent family in Kidon City... Later on, my widowed mother has also passed away," said Malvolio miserably.

"Malvolio, enough!" Isadora supported Malvolio by his arm. "Quickly get inside and let the doctor in there bandage you up."

Malvolio looked at the person next to him. "Keep an eye on the madam."

The men immediately nodded. "Yes, Master Malvolio!"

Malvolio looked at Holden, who was curled up on the floor. "

Carry him in. I want to treat his gunshot wounds. I want to let

cannot wounds. I want to let Holden watch me and Sabrina get married!”

“Yes, Master Malvolio!”

Sabrina was speechless. She watched as Holden and Malvolio were carried inside. She, on the other hand, was left alone on the deck. A total of four men had surrounded her from the front, the back and both her sides as well. Even if she was not pregnant, she would not be able to escape, let alone the fact that she was pregnant. Waves of despair emerged in her heart. What should she do? What should she do?

At that moment, Sabrina’s phone rang again. She originally hid her phone under her body and her phone was put on mute.

...her phone...der her body
and her phone was put on mute.
Her phone had been ringing
again and again when she
confronted Malvolio a moment
ago, but she did not answer it. At
that moment, Sabrina
immediately took out her phone
and answered it. She only took a
glance at the number on the
screen and she said urgently, “
Sebastian, listen to me,
Sebastian. This man named
Malvolio has come prepared. He
knew everything about us. You
must be careful. You absolutely
have to be careful. Don’t
underestimate him. Sebastian...”

No one spoke at the other end of
the call.

Sabrina was stunned for a long
while. “Sebastian, is that you?
Sebastian? Sebastian, why aren’t

have to help me take care of my
mom, your grandma. Do you
understand? Your grandma had i
t so tough her whole life. Aino,
you can't cry. You have to be
brave."

"Aino!" Sabrina yelled. Someone
at the other end of the call
suddenly burst into tears. That
voice was not a little child's
voice. That voice was immensely
miserable, old, and hoarse. "
Sabrina, my daughter..." ①

Tears instantly gushed down
Sabrina's cheeks like the
pouring rain. "Mom, you...why
are you there?"
